

Clean Energy Alliance
JOINT POWERS AUTHORITY

Community Advisory Committee Meeting
December 3, 2020, 2 p.m.

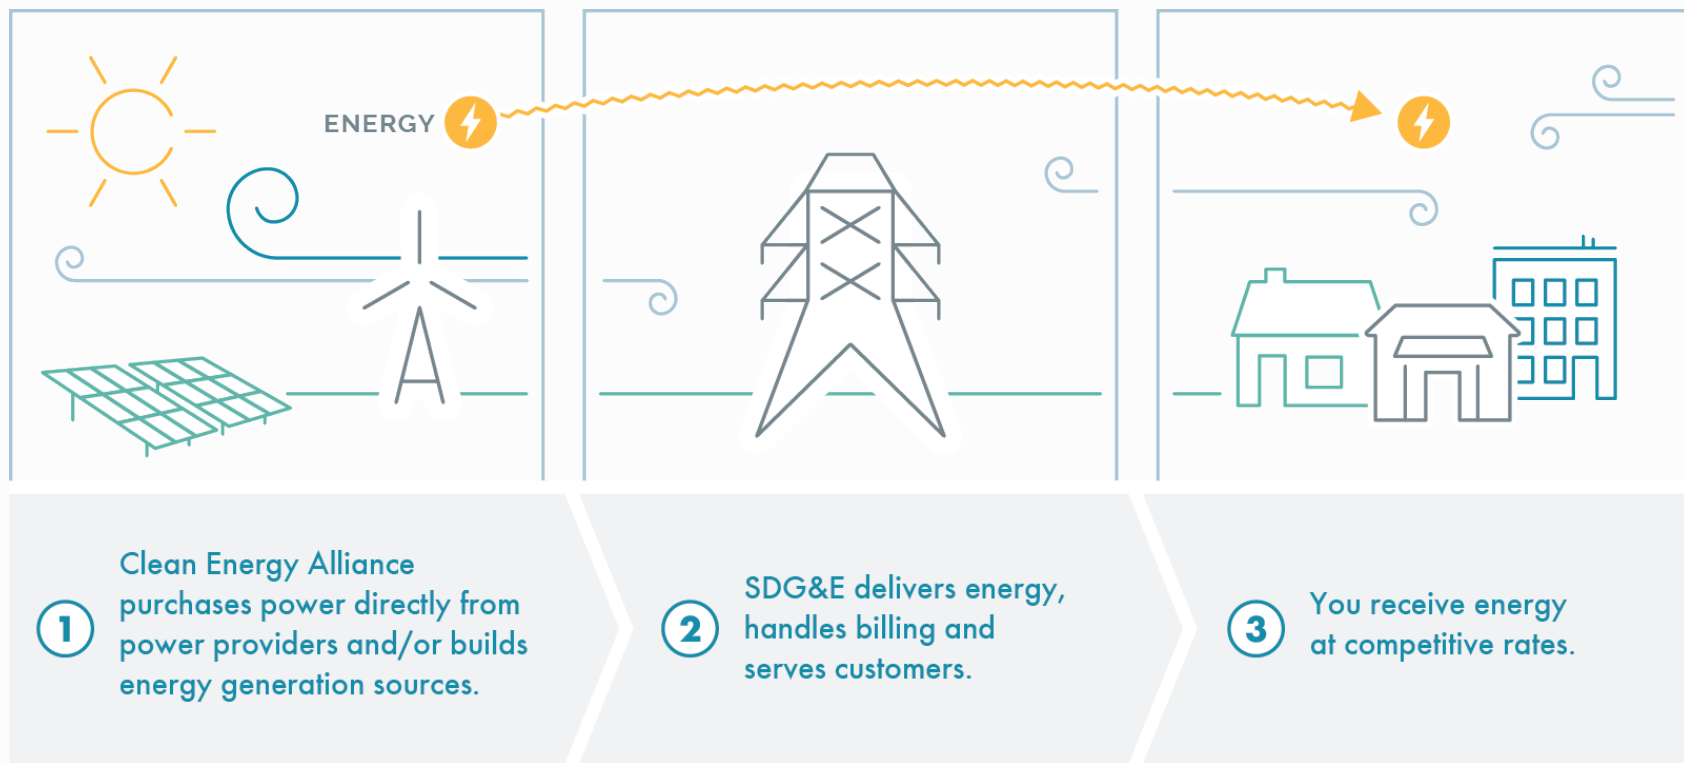

Item 6: Presentation of Community Choice Aggregation and Clean Energy Alliance

Barbara Boswell, Interim Chief Executive Officer

Community Choice Aggregation

- Authorized by AB 117 - 2002
 - Cities and Counties can aggregate energy usage for purpose of procurement
 - Replaces SDG&E for energy generation
 - JPA sets rates/policies re: renewable energy/programs/etc
 - SDG&E remains responsible for delivery, infrastructure, responding to outages, billing
 - CCA is an opt-out program
 - All eligible customers enrolled unless they opt out

CCA – How it Works

Clean Energy Alliance

- Joint Powers Authority
 - Separate Government Agency from Member Cities
 - Joint Powers Authority Agreement & Bylaws guiding documents for JPA
- Renewable Energy Established by JPA
 - Minimum 50% Default
 - Achieve 100% renewable by 2035

Clean Energy Alliance

- Other CCA Goals/Targets
 - 2% rate discount compared to SDG&E Generation Rates
 - 100% opt-up renewable product
 - Overall lower Greenhouse Gas (GHG) emissions than SDG&E
 - Energy efficiency and demand response programs
 - Procurement of local generation of renewable energy
 - Local jobs creation
 - Long-Term financial viability, customer rate stability, innovative energy programs, projects and services
