

CLEAN ENERGY ALLIANCE
COMMUNITY ADVISORY COMMITTEE SUBCOMMITTEE REPORT

Subcommittee Name: Electric Vehicles

Subcommittee Members:

Chair: Kevin Norris

Member: Jennifer Kerschbaum

Member: Dr. Don Mosier

Member: Roger Davenport

Member: Tracy Reed

Member:

Mission Statement:

To educate the community about the benefits of EVs, both for personal use and commercial/residential charging. To advocate for increased EV infrastructure in cities served by CEA.

Problem Areas Identified:

- Community education about EV benefits
- EV infrastructure grant applications

CAC Prioritized Recommendations to Board to Address Problem Areas:

- Grant writer
- One volunteer from each member city to coordinate with their planning department on potential locations for EV infrastructure.
