Public Hearing

- Item 6: Consider Adoption of Clean Energy Alliance Resolution No. 2023-009 Setting Rates and Approval of Agreements for Clean Energy Alliance Solar Plus Residential Distributed Microgrid Program Providing Solar and Battery Storage Systems**

RECOMMENDATION

1. Conduct the Public Hearing: Open the Public Hearing, Receive Public Testimony, and Close the Public Hearing.
2. Adopt Resolution No. 2023-009 Setting Rates for Clean Energy Alliance Solar + Program Effective November 1, 2023.
3. Approve Power Purchase and Sale Agreement, Program Management Agreement, Program Support Agreement and Framework Distributed Microgrids Agreement with Participate.Energy, LLC and authorize the Chief Executive Officer to execute all documents subject to General and Special Counsel approval.

Chair Druker opened the public hearing and Interim Board Secretary Caputo reported on the notices. CEO Boswell presented the item noting that the Solar Plus Program would allow residential customers to have access to solar and battery storage systems with zero upfront cost to the homeowner, provides price stability, generates 100% renewable energy. The program would create grid stability, locally created Green Energy, and provide customers with the best value offer in the market. Ms. Boswell commented on the program partners Tesla, Inc., and Participate.Energy LLC, noting that Tesla offers turnkey residential, new homes commercial and utility scale solar and battery operation throughout the state and Participate.Energy provides the credit and cash support.

Board comments and questions included whether the program would be available to schools and churches; whether approval would prohibit CEA from entering into other agreements;

regarding multi-family housing and new projects whether it could be available or made a condition of residency; and will mobile home parks be included.

CEO Boswell indicated that the first phase of the program is geared to residential customers and upcoming phases would include commercial accounts including schools as well as battery access for those customers that have solar but no battery access. Also noted that the agreements are not exclusive, and CEA would be able to enter into other agreements. Regarding multi-family and new projects Ms. Boswell commented that the program is geared toward single-family residences but that a grant application for vehicle charging at multi-family housing for underserved communities with a solar and battery storage component is in process and if successful could potentially become the pilot phase for multi-family communities. Regarding mobile home parks it was noted that each would be unique and many factors such as structure of the mobile home and whether the system could be installed would have to be considered.

Stephen Pollock of Participate.Energy commented that four cities have signed a contract and are moving forward with the program and the City of Lancaster has launched the program.

Interim Board Secretary Caputo commented that no requests to speak or any written communication have been received in the ten days prior to the hearing.

Motion by Musgrove, second by Bhat-Patel, to close the public hearing.

Item 7: Receive Annual Audited Financial Report for the Fiscal Year Ended June 30, 2023

RECOMMENDATION

Receive and file Clean Energy Alliance Annual Audited Financial Report for the Fiscal Year Ended June 30, 2023.

CEO Boswell introduced the item and Brett Bradford of Pisent & Brinker LLP, who provided the Financial Report noting that upon completion of the audit an unmodified opinion was reported meaning the financial statements are materially accurate and no significant deficiencies or material weakness in internal control were noted for Fiscal Year ended June 30, 2023.

PUBLIC COMMENT: None

CEA Board received report.

Item 8: Consider Approval of Wholesale Market Access Tariff Terms and Conditions, Wholesale Market Access Agreement and Positive Enrollment Agreements with San Diego County Water Authority and Poseidon Resources (Channelside) LP for Enrollment of the Channelside Account at the Carlsbad Desalination Plant

RECOMMENDATION

- 1) Approve the Wholesale Market Access Tariff Terms and Conditions;
- 2) Approve Wholesale Market Access Agreement that includes Positive Enrollment Agreements with San Diego County Water Authority and Poseidon Resources (Channelside) LP for enrollment of the Channelside account at the Carlsbad Desalination Plant. Authorize the Chief Executive Officer to execute all documents, subject to General Counsel approval.

CEO Boswell introduced the item and commented that Brent Fountain of the San Diego County Water Authority (SDCWA) is in attendance to answer any questions of the Board. Ms. Boswell gave an overview of the item noting that the Board previously approved the MOU with SDCWA & Channelside to develop a program that would allow CEA to enroll the Channelside account and address the risks of serving such a large load account. The Wholesale Market Access Tariff (WMAT) was developed as a result of diligent teamwork of staff, technical consultants, and legal team. The WMAT provides the ability for CEA to serve Channelside and mitigate risks to CEA and its customers related to normal opt-out rates. WMAT would be available to eligible non-residential accounts with an annual load greater than 150GWh that meet other certain criteria. WMAT is consistent with the JPA goal of reducing GHG Emissions, and provides customers with more control over energy supply by participating in power procurement among other benefits.

PUBLIC COMMENT: None

General Counsel Canlas commented that correspondence from a member of the public was received highlighting that there may be issues entering into a contract with Channelside. Special Regulatory Counsel has looked at the issue and found that what CEA is doing today is creating a new category whereby all others that fit into the new category will be able to do so under the same terms and conditions as what is before the Board.

Chair Druker commented that the agreement would benefit Carlsbad in reaching their Climate Action Plan goals and stated the importance of the agreement to CEA and SDCWA in hope that producing desalinated water may become less expensive.

Motion by Bhat-Patel, second by Musgrove, to approve the Wholesale Market Access Tariff Terms and Conditions.

Motion carried unanimously, 6/0.

Motion by Bhat-Patel, second by Melendez, to approve the Wholesale Market Agreement.

Motion carried unanimously, 6/0.

Item 9: Consider Approval of Clean Energy Alliance Solar Billing Plan (NEM 3.0)

RECOMMENDATION

CEA Board direct staff to:

- Implement Solar Billing Plan to mirror San Diego Gas & Electric's Solar Billing Plan and maintain CEA's current Net Surplus Compensation methodology effective December 15, 2023; or
- Implement a modified Solar Billing Plan to mirror San Diego Gas & Electric's Solar Billing Plan which provides a \$.01 per kWh premium to the Avoided Cost Component and maintain CEA's current Net Surplus Compensation methodology effective December 15, 2023, for 5 years; or
- Do not implement Solar Billing Plan.

CEO Boswell presented the item commenting that this is the new billing process for customers that have rooftop solar and applicable to customers that have applied with SDG&E for permits to install new solar systems after April 15, 2023. Staff is seeking direction as stated in staff recommendation. Ms. Boswell noted that the among the changes of the CPUC approved Solar Billing Plan (SPB) is the methodology for calculating charges and credits and Net Surplus Compensation calculation methodology, changes from an annual true-up to monthly, estimates solar system payback increased from 5-years to 9-years, and that CEA is not required to implement SBP. In addition, CEA customers with applications after April 15, 2023, will be placed on SBP for SDG&E Transmission and Delivery (T&D) as well as customers on NEM 1.0 and 2.0 who reach the end of their legacy period regardless of whether CEA adopts SBP.

Vice Chair Musgrove inquired, and CEO Boswell responded that the modified SPB is the recommendation of staff and supported by the majority of the Community Advisory Committee (CAC).

Board member Bhat-Patel exited the meeting at 2:58 p.m. and Member Melendez exited the meeting at 3:09 p.m.

PUBLIC COMMENT: CAC Vice Chair Don Mosier addressed the Board regarding the consensus of the CAC to incentivize rooftop solar supporting the addition of a 6 cents per kWh compensation for CEA customers who put excess solar power back to the grid.

Motion by Musgrove, second by Becker, to approve the implementation of a modified Solar Billing Plan to mirror San Diego Gas & Electric's Solar Billing Plan which provides a \$.01 per kWh premium to the Avoided Cost Component and maintain CEA's current Net Surplus Compensation methodology effective December 15, 2023, for 5 years.

Motion carried unanimously, 4/0.

Item 1: Consider Approval of Establishment of a Feed-in-Tariff (Community Solar) Program and Direct Staff to Return with Program Guidelines and Related Documents

RECOMMENDATION

Approve Establishment of a Feed-In-Tariff (Community Solar) Program with the criteria recommended by staff and direct staff to return with a marketing campaign, program guidelines, application, and power purchase agreement.

CEO Boswell presented the item noting that the CEA Board and Community Advisory Committee have prioritized establishment of a Feed-inTariff also known as Community Solar to incentivize locally situated, small scale, renewable energy projects and would be a standard offering that would include a predetermined price that CEA would pay for the energy as well as establish the delivery term, project size limitations and power purchase agreement and these items will not be negotiated as part of the process. Ms. Boswell gave an overview of the recommended offering criteria commenting that the program guidelines would be consistent with CEA's Inclusive & Sustainable Workforce Policy and that the majority of the Community Advisory Committee (CAC) support the development of the program.

Board comments and questions included inquiry regarding how proposals would be weighted; would it be a first come, first served basis; does staff know of any local companies currently making offering; unintended negative impacts. CEO Boswell responded that CEA's Bid Criteria Policy would be followed and that standard offerings are evaluated as received; no knowledge of any specific projects but the community expressed they would like to see CEA offer in order to take advantage of potential smaller scale programs; and any of these projects would be subject to normal permitting process where any negative impact would be addressed.

Motion by Joyce, second by Garcia to approve staff recommendation.

Special Counsel Kevin Ennis presented the item commenting that the recommendation to approve the First Amendment to CEO Employment Agreement contains a set of changes to the version in the agenda packet indicating that the City of Solana Beach requests that the deferral date of the contract to be effective and specific to February 1, 2024.

Board member Becker noted that she is the representative from Solana Beach, and in the interest of transparency, counsel has informed that no conflict of interest is present for this issue and Special Counsel Ennis concurred.

OPERATIONAL UPDATE

Oceanside & Vista April 2024 Enrollment

The City Councils of Oceanside and Vista have selected Clean Impact Plus, 75% Carbon Free, as the default power supply in which customers will be automatically enrolled. In addition, the City of Vista City Council approved enrolling all municipal accounts in CEA's Green Impact, 100% renewable power supply, in support of meeting its Climate Action Plan goals.

Enrollment mailers began hitting Oceanside and Vista mailboxes in early February in preparation for the automatic enrollments in April 2024. The February mailers will be the first of four mailers to be sent out. The schedule of mailers are as follows:

February 2024:	60-Day pre-enrollment mailer - Complete
March 2024:	30-Day pre-enrollment mailer
March 2024:	Letter to NEM customers being enrolled in April 2024
May 2024:	30-Day post-enrollment welcome letter
June 2024:	60-Day post-enrollment mailer

CEA staff and Oceanside and Vista staff have been meeting regularly over the past several months to prepare a marketing and communications strategy for the April 2024 enrollment. This includes identifying community events to participate in, key community groups to reach out to, and key customers to contact. The goal of the marketing and communications strategy is to meet with affected residents and businesses to answer questions they may have about CEA, address concerns related to the enrollment, and to minimize opt-outs.

To provide opportunities for the communities to meet with CEA staff and have their questions answered, staff is planning to attend several in person community events.

CEA meeting with San Diego Gas and Electric Executive Team

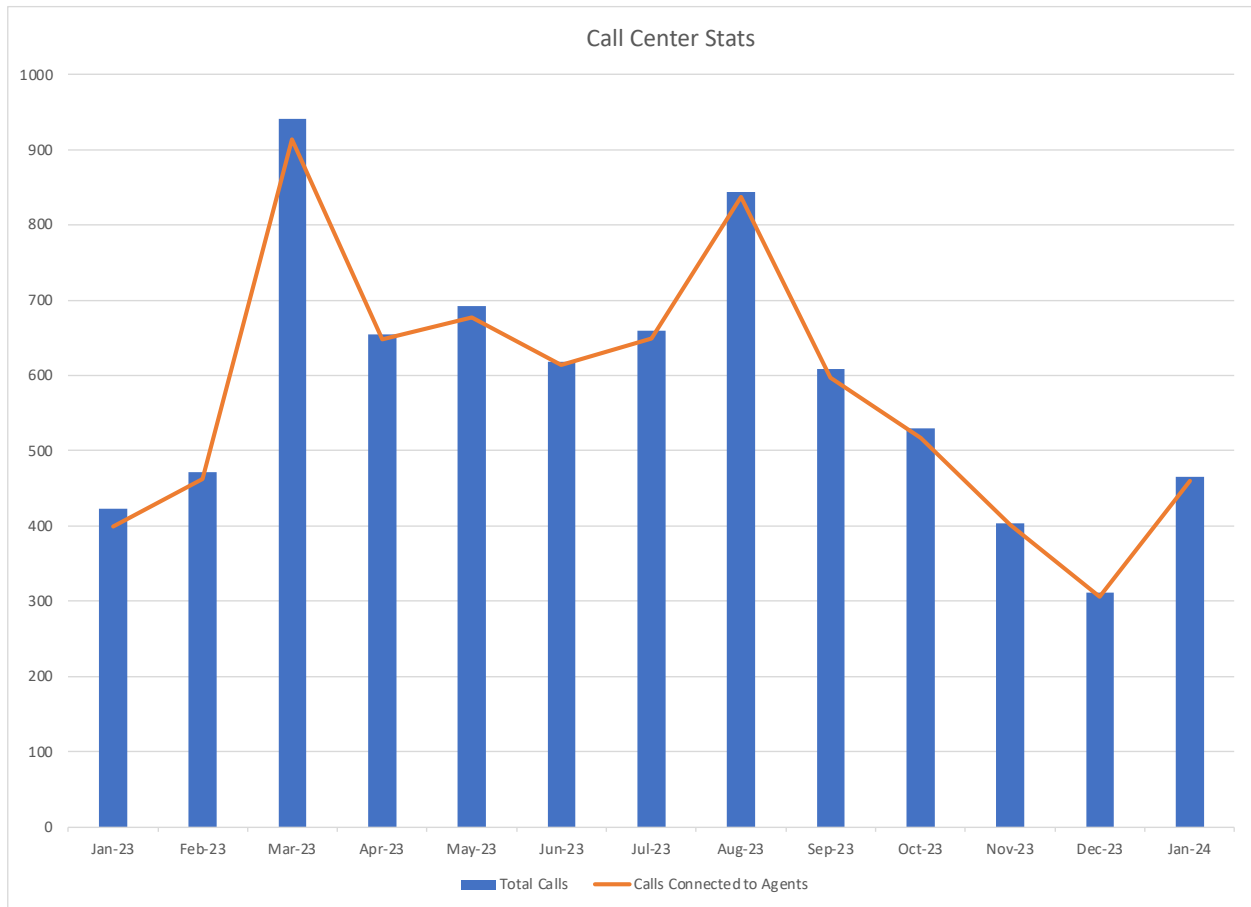

In order to foster communication between CEA and San Diego Gas & Electric (SDG&E), a quarterly meeting is held between CEA and SDG&E Executive teams. The most recent meeting took place on February 7, 2024, and was attended by Chair Druker, Vice Chair Melendez, CEO Greg Wade, Interim CFO Andy Stern and Previous CEO Barbara Boswell. Topics included 2023 Accomplishments and 2024 Goals & Priorities.

Programs Update

Solar Plus: CEA staff has been working diligently with its partners to implement CEA's Solar Plus program. Through Solar Plus, CEA residential customers can access Tesla Solar and Battery Storage systems with no out-of-pocket, up-front costs. Due to the customer not buying the system there is no credit check required. With this program customers who did not previously have access to the benefits of solar and battery storage systems will now be able to take advantage of their benefits. CEA's Solar Plus program addresses CEA's goals of increasing the amount of renewable energy used by CEA's customers and ensuring all customers have access to reliable renewable energy systems.

Call Center Activity and Participation Statistics

The charts on the following pages reflect customer activity through January 31, 2024.

Call volumes to CEA’s Call Center increased slightly in January 2024 from November and December 2023, which is to be expected due to the holiday season. The most common call topic was related to Net Energy Metering (NEM), which is to be expected since CEA will be enrolling NEM customers in Escondido and San Marcos through March 2024.

The following chart reflects the monthly and cumulative opt-outs through January 31, 2024 for CEA:

CEA’s participation rate is approximately 95.1%, with a net increase in opt-ins of 162 in December. CEA and its Data Manager, Calpine, continue to refine the methodology for accounting for customer participation, the results of which resulted in data anomalies in July and October of last year. The current statistics reflect what staff believes to be the most accurate accounting of opt out activity.

The following chart reflects enrollments in CEA’s power supply products:

POWER SUPPLY PRODUCT	DECEMBER 2023	JANUARY 2024	Net Change
Clean Impact – 50% Renewable	473	504	+31
Clean Impact Plus - 75% Carbon Free	142,441	149,299	+6,858
Green Impact – 100% Renewable	612	625	+13
TOTAL ACCOUNTS	143,526	150,428	6,902

The increase in enrollment is related to the enrollment of NEM customers in Escondido and San Marcos. These accounts are enrolled in the month of their annual true-up as opposed to being enrolled in April 2023, when non-NEM customers were enrolled.

Risk Oversight Committee

Pursuant to CEA's Energy Risk Management Policy, the Risk Oversight Committee met on December 7, 2023. The Committee reviewed CEA's recent procurement activity, current portfolio positions and future procurement targets, and portfolio market to market and counterparty exposure. The Committee confirmed that CEA is in compliance with its Energy Risk Management Policy. The next regular meeting of the Committee is scheduled for March 7, 2024.

Regulatory Monitoring Report

To: Clean Energy Alliance (CEA) Board of Directors

From: Tim Lindl, Partner, Keyes & Fox LLP
Jacob Schlesinger, Partner, Keyes & Fox LLP
Jason Hoyle, Principal Analyst, EQ Research, LLC

Subject: Monthly Regulatory Memo

Date: February 15, 2024

Keyes & Fox LLP and EQ Research LLC are pleased to provide CEA's Board of Directors with this informational memo describing recent developments in key California regulatory and compliance-related updates from the California Public Utilities Commission (CPUC). Additional information is available in CEA's [Digest of Regulatory Updates](#).

Integrated Resource Planning (R.20-05-003)

- The revised [Proposed Decision](#) clarifies that CEA's 2022 IRP filing has been certified. For future IRPs the Commission expects load-serving entities (LSEs) to take a more expansive view, with specific quantitative data, of their responsibilities in regard to impacts on disadvantaged and low-income communities, including those outside of an individual LSE's territory.
- The Decision adopts the 25 MMT (million metric ton) in 2035 target as the preferred system plan in 2024, which was the more stringent of the two greenhouse gas targets in the 2022 IRP cycle.
- The Petition for Modification (PFM) filed by the California Energy Storage Alliance (CESA) and Western Power Trading Forum (WPTF) was partly granted, with the Commission allowing LSEs to obtain a three-year extension for long lead time (LLT) resources if generic capacity is procured to make up the shortfall during the time between the original June 1, 2028 deadline and the extended deadline of June 1, 2031. The Decision also denied the PFM of SCE and PG&E that requested a two-year extension of the requirement to procure Diablo Canyon replacement capacity.

Demand Flexibility (R.22-07-005)

- The income graduated fixed charge required by AB 205, Stats. 2022, ch. 61 may be modified by the recently introduced [AB 1999](#). This bill would repeal the provision authorizing the CPUC to adopt an income-graduated fixed charge for residential customers and replace it with language allowing the CPUC to adopt residential fixed charges capped at \$5/month for customers enrolled in the CARE program (i.e., low-income customers) and \$10/month for other residential customers starting January 1, 2025.

SDG&E Phase 1 GRC (A.22-05-016)

- On February 15, the CPUC voted to [approve](#) SDG&E's interim rate recovery of wildfire mitigation plan costs. The decision authorizes SDG&E to recover 75% of its \$376.5 million under collected wildfire mitigation plan account balance in rates annually in 2024 and 2025.
- SDG&E is required to refund any excess rate recovery amount with interest if costs are ultimately denied based on a review of recorded costs during the final decision in Track 2 of the general rate case. SDG&E's request to continue recovering 50% of the remaining balance beyond 2025 is denied.
- SDG&E's revenue requirement will increase by \$193.8 million in 2024 and \$96.1 million in 2025.

RA Rulemaking 2025-2026 (R.23-10-011)

- On February 6, the ALJ issued a [Ruling](#) entering the Energy Division Staff's report on slice-of-day (SOD) implementation into the record. The Ruling also includes the [Report](#) on SOD implementation and several [Appendices](#) providing SOD resources and summarizing comments from parties through the implementation

process. Initial compliance implementation of the SOD framework begins with November's year-ahead filings for the 2025 RA Year.

- Under the SOD framework, load serving entity- (LSE-)specific RA obligations for each month will be based on the "worst day" (i.e., day with the highest 24-hour load) of each month, will vary from month to month, may not be the same for each LSE, and LSE's are required to demonstrate sufficient RA resources to meet demand for all 24 hours of the worst day.
- Resource contributions to RA will no longer be calculated based on effective load carrying capacity (ELCC) but will instead be determined using a probabilistic approach known as the exceedance method, which uses historical performance data to determine the ELCC-like capacity level for which a resource is credited. Exceedance levels are based on historical performance by resource type and location. Solar is assigned a 70% exceedance level, but wind resources' exceedance varies between 65% and 80% based on location and season for both in-state and out-of-state wind resources.

RPS ([R.24-01-017](#))

- On February 1, the CPUC issued the [OIR](#) for the new RPS proceeding, R.24-01-017 (successor docket to R.18-07-003). The preliminary scope of this rulemaking has three principal tasks: 1) Resolving Remaining Issues from R.18-07-003; 2) Continuing, Monitoring, Reviewing, and Improving the RPS Program; and 3) Implementing New Statutory Requirements
- Remaining issues from R.18-07-003 include establishing a cost containment mechanism for utility RPS procurement, including revisions mandated by SB 2 (1X) (Simitian, Stats. 2011, ch.1) and SB 350, and increasing coordination among the RPS docket and both the Integrated Resource Planning and Resource Adequacy dockets.
- Other considerations in this proceeding include an exploration of increasing the required RPS procurement percentage for later compliance periods and the integration of greenhouse gas emissions (GHG) reduction goals and metrics into RPS procurement methods.

Staff Report

DATE: February 29, 2024

TO: Clean Energy Alliance Board of Directors

FROM: Greg Wade, Chief Executive Officer
Andy Stern, Interim Chief Financial Officer/Treasurer

ITEM 4: Consideration of Adoption of Resolution No. 2024-001 Approving and Authorizing an Amendment to the Revolving Credit Agreement with JPMorgan Increasing the Line of Credit from \$25MM to \$40MM with an Additional \$10MM Available if Certain Conditions are Met

RECOMMENDATION:

Adopt Resolution No. 2024-001 approving and authorizing an amendment to the Revolving Credit Agreement with JPMorgan, increasing the existing line of credit from \$25MM to \$40MM, with an additional \$10MM available if certain conditions are met, and authorize the Chief Executive Officer to execute all documents, subject to Financial Counsel and General Counsel approval.

BACKGROUND AND DISCUSSION:

At the Clean Energy Alliance (CEA) Board of Director's (Board) Regular Meeting held on January 21, 2021, the Board adopted Resolution No. 2021-004, approving a Credit Agreement with JPMorgan for \$6MM (the "Line of Credit") to fund start-up costs and initial cash flow needs for CEA. At its regular meeting on January 13, 2022, the CEA Board approved Resolution No. 2022-001 approving Amendment No. 2 to the Line of Credit increasing the amount available under the Line of Credit from \$6MM to \$15MM. At its regular meeting on March 30, 2023, the CEA Board adopted Resolution No. 2023-003 approving Amendment No. 3 to the Line of Credit increasing the available funds from \$15MM to \$25MM to provide cash flow related to the Escondido and San Marcos expansions.

Similar to the 2023 service expansion, the expansion into Oceanside and into Vista in April 2024 impacts CEA's cash flows, resulting in a need to increase the current available Line of Credit. CEA has and will incur energy costs related to the planned service to Oceanside and Vista beginning in January of 2024. These costs occur during the winter months, when CEA's lower winter rates are in effect and cash flows are at their lowest point. While CEA incurs costs related to the new service, revenue and related cash flow does not improve CEA's cash flow until 3 months after service begins or starting in June 2024. As a result, an increase in the Line of Credit is warranted.

CEA staff entered into discussions with JPMorgan regarding increasing the Line of Credit from \$25MM to \$40MM to meet cash flow needs through the fall of 2024. Based on discussions between CEA and JPMorgan, JPMorgan has authorized an amendment to the Line of Credit as follows:

Amendments to Existing Line of Credit

1. Increase to \$40,000,000 on the new Effective Date (defined as March 1, 2024).
2. Make an additional \$10,000,000 available if necessary to be added to the Line of Credit upon CEA meeting certain conditions.

CEA does not incur any fees related to the additional \$10,000,000 unless such increased funds are accessed. While staff does not anticipate needing the additional funds, it recommends approving these funds to meet unanticipated power procurement related costs.

The term of the Line of Credit remains unchanged with the full amount to be repaid by February 2, 2026. Based on current projections, staff anticipates CEA will repay all funds draw from the Line of Credit by the 3rd quarter of 2025, well in advance of the required repayment date.

The funds may be used for operational needs, power procurement and collateral requirements.

Cost Estimates

Based on scenarios of utilizing 0%, 50% and 100% of the Line of Credit, cost estimates are reflected below and on the following page (and each are based on numbers produced by JPMorgan as of February 13, 2024).

Scenario 1: 0% Utilization

Line of Credit Commitment Amount	\$ 40,000,000
Closing Date	3/1/24

Interest Only Costs:	\$973,052
Utilization Amount (Draws):	\$0
Standby LOC Amount:	\$0
Total Utilization:	\$0
	0%

CEA pays commitment fees (interest) based on the amount JPMorgan makes available to CEA, even if CEA does not utilize the funds. Assuming CEA does not utilize any of the available funds, the total costs (interest plus fees) through the remaining life of the credit facility are \$990,552 with interest only costs for the remaining life being \$973,052.

Scenario 2: 50% Utilization

Line of Credit Commitment Amount	\$ 40,000,000
Closing Date	3/1/24
Maturity Date	2/2/26
Years Facility in Place:	1.92
Working Capital Loan	
Average Utilization (% of Amount)*	50%
1-Month SOFR (as of 3/23/2023)	5.320%
Credit Spread Adjustment	0.100%
Applicable Margin	3.450%

Bank Counsel Fees:	\$17,500
Total Cost over the Remaining Life of Facility:	\$3,956,413
Interest Only Costs:	\$3,938,913
Utilization Amount (Draws):	\$20,000,000
Standby LOC Amount:	\$0
Total Utilization:	\$20,000,000 50%

Assuming CEA uses \$20,000,000 of the available \$40,000,00, the total costs (interest plus fees) through the life of the credit facility are \$3,956,413 and interest only costs for the remaining life are \$3,938,913.

Scenario 3: 100% Utilization

Line of Credit Commitment Amount	\$ 40,000,000
Closing Date	3/1/24
Maturity Date	2/2/26
Years Facility in Place:	1.92
<u>Working Capital Loan</u>	
Average Utilization (% of Amount)*	100%
1-Month SOFR (as of 3/23/2023)	5.320%
Credit Spread Adjustment	0.100%
Applicable Margin	3.450%
Undrawn Fee (% of Undrawn Amount)	1.250%
<u>Standby LOC</u>	
Standby LOC Utilization (% of Amount)	0%
Standby LOC Fee (% of Drawn Amount)	2.00%
Amendment Fee	\$0
Documentation Fee	\$0
Amendment Fee	\$0
Commitment Fee**:	\$0
Interest on Outstanding Balances**:	\$6,904,775
Standby LOC Fees:	\$0
Bank Counsel Fees:	\$17,500
Total Cost over the Remaining Life of Facility:	\$6,922,275
Interest Only Costs:	\$6,904,775
Utilization Amount (Draws):	\$40,000,000
Standby LOC Amount:	\$0
Total Utilization:	\$40,000,000 100%

Assuming CEA draws down the full \$40,000,000, the total costs (interest plus fees) through the life of the credit facility would be \$6,922,275 and interest only costs for the remaining life would be \$6,904,775.

The Amended Credit Agreement (Attachment B) has been reviewed by CEA's General and Special Counsel both of whom found the language to be acceptable.

FISCAL IMPACT:

Current fiscal year interest costs and fees are available in the current year adopted budget and will be included in future year proposed budgets.

Section 1.2. Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The word “will” shall be construed to have the same meaning and effect as the word “shall”. Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (b) any reference herein to any Person shall be construed to include such Person’s successors and assigns, (c) the words “herein”, “hereof” and “hereunder”, and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement and (e) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

Section 1.3. Accounting Terms; GAAP. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; *provided* that, if the Borrower notifies the Lender that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the operation of such provision (or if the Lender requests an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof,

then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith.

Section 1.4. Interest Rates; Benchmark Notification. The interest rate on a Loan may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 2.11(c) provides a mechanism for determining an alternative rate of interest. The Lender does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Lender and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Alternate Rate) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Lender may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

ARTICLE 2

THE CREDITS

Section 2.1. Commitments. Subject to the terms and conditions set forth herein, the Lender agrees to make Loans to the Borrower from time to time during the Availability Period in an aggregate principal amount that will not result (after giving effect to any application of proceeds of such Borrowing pursuant to Section 2.7) in the Revolving Credit Exposure exceeding the Commitment. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Loans.

Section 2.2. Loans and Borrowings. (a) Subject to Section 2.4(d), Section 2.5(d) and Section 2.11, at the time of each Borrowing, the Borrower may elect to incur a Loan as a Base Rate Loan or a SOFR Loan.

(b) At the commencement of each Interest Period for any SOFR Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000. At the time that each Base Rate Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$25,000 and not less than \$100,000; *provided* that a Base Rate Borrowing may

be in an aggregate amount that is equal to the entire unused balance of the Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.4(d).

(c) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

Section 2.3. Requests for Revolving Borrowings. To request a Borrowing, the Borrower shall notify the Lender of such request by telephone (a) in the case of a SOFR Borrowing, not later than 10:00 a.m., New York City time, three (3) Business Days before the date of the proposed Borrowing or (b) in the case of a Base Rate Borrowing, not later than 10:00 a.m., New York City time, one Business Day before the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by electronic means to the Lender of a written Borrowing Request in a form attached hereto as Exhibit C and signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the information set forth in Exhibit C hereto.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be a Base Rate Borrowing. If no Interest Period is specified with respect to any requested SOFR Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Subject to satisfaction of the terms and conditions of Section 3.2, the Lender shall make available to, or for the account of, the Borrower the amount of each Borrowing no later than 2:00 p.m., New York City time, on date of the applicable Borrowing.

Section 2.4. Letters of Credit.

(a) *General.* Subject to the terms and conditions set forth herein, the Borrower may request the issuance of Letters of Credit as the applicant thereof for the support of its PPA payment obligations, in the form of a Letter of Credit Request set forth in Exhibit D-1 hereto at any time and from time to time during the Availability Period; *provided, however,* that prior to the issuance of the initial Letter of Credit hereunder, the Borrower and the Lender shall execute a Continuing Agreement for Commercial and Standby Letters Of Credit in the form of Exhibit D-3 hereto. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the Lender relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) *Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions.* To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or fax (or transmit through an Electronic System, if arrangements for doing so have been approved by the Lender) to the Lender (reasonably in advance of the requested date of issuance, amendment, renewal or extension, but in any event no less than five (5) Business Days) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the

amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Lender, the Borrower also shall submit a letter of credit application on the Lender's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the Revolving Credit Exposure shall not exceed the Commitment and (ii) the LC Exposure shall not exceed the Letter of Credit Sublimit.

The Lender shall not be under any obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Lender from issuing such Letter of Credit, or any Requirement of Law relating to the Lender or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Lender shall prohibit, or request that the Lender refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Lender is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the Lender any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the Lender in good faith deems material to it, or

(ii) the issuance of such Letter of Credit would violate one or more policies of the Lender applicable to letters of credit generally.

(c) *Expiration Date.* Unless otherwise expressly agreed to by the Lender, each Letter of Credit shall expire (or be subject to termination by notice from the Lender to the beneficiary thereof) at or prior to the close of business on the date that is five (5) Business Days prior to the Maturity Date.

(d) *Reimbursement.* If the Lender shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Lender an amount equal to such LC Disbursement not later than 11:00 a.m., New York City time, on the date that such LC Disbursement is made, if the Borrower shall have received notice of such LC Disbursement prior to 9:00 a.m., New York City time, on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 11:00 a.m., New York City time, on the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time on the day of receipt; *provided* that, if such LC Disbursement is not less than \$100,000, and no Default or Event of Default shall have occurred, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.3 that such payment be financed with a Base Rate Revolving Borrowing in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting Base Rate Borrowing (such Base Rate Borrowing, a "*Reimbursement Loan*").

(e) *Obligations Absolute.* The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (d) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Lender under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Lender nor any of its Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit, any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms, any error in translation or any consequence arising from causes beyond the control of the Lender; *provided* that the foregoing shall not be construed to excuse the Lender from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by the Lender's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Lender (as finally determined by a court of competent jurisdiction), the Lender shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Lender may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(f) *Disbursement Procedures.* The Lender shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Lender shall promptly after such examination notify the Borrower by telephone (confirmed by fax or through an Electronic System) of such demand for payment if the Lender has made or will make an LC Disbursement thereunder; *provided* that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the Lender with respect to any such LC Disbursement.

(g) *Interim Interest.* If the Lender shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the reimbursement is due and payable at

the rate per annum set forth in Section 2.10(d) for Base Rate Loans and such interest shall be due and payable on the date when such reimbursement is payable.

(h) *Cash Collateralization.* If any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Lender demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Lender, in the name and for the benefit of the Lender (the “*LC Collateral Account*”), an amount in cash equal to 105% of the amount of the LC Exposure as of such date plus accrued and unpaid interest thereon; *provided* that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in Section 6.01(e) or Section 6.01(f) hereof. The Lender shall have exclusive dominion and control, including the exclusive right of withdrawal, over the LC Collateral Account and the Borrower hereby grants the Lender a security interest in the LC Collateral Account and all moneys or other assets on deposit therein or credited thereto. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Lender and at the Borrower’s risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Lender for LC Disbursements for which it has not been reimbursed, together with related fees, costs, and customary processing charges, and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated, be applied to satisfy other Obligations. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all such Events of Default have been cured or waived as confirmed in writing by the Lender.

Section 2.5. Interest Elections. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing (other than a Base Rate Borrowing of a Reimbursement Loan) to a different Type or to continue such Borrowing and, in the case of a SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing (other than a Base Rate Borrowing of a Reimbursement Loan) and the Loan comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Lender of such election by telephone by the time that a Borrowing Request would be required under Section 2.3 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by electronic copy to the Lender of a written Interest Election Request in a form approved by the Lender and signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.2:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be a Base Rate Borrowing or a SOFR Borrowing; and

(iv) if the resulting Borrowing is a SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a SOFR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) If the Borrower fails to deliver a timely Interest Election Request with respect to a SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Base Rate Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Lender so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a SOFR Borrowing and (ii) unless repaid, each SOFR Borrowing shall be converted to a Base Rate Borrowing at the end of the Interest Period applicable thereto; *provided, however*, that the actions specified in clauses (i) and (ii) immediately above shall apply automatically without notice from the Lender if the Event of Default that has occurred and is continuing is an Event of Default described in Section 6.1(e) or Section 6.1(f).

Section 2.6. Termination and Reduction of Commitment; Increase in Revolving Commitments. (a) Unless previously terminated, the Commitment shall terminate automatically on the Maturity Date.

(b) Subject to the provisions of the Fee Agreement, the Borrower may at any time terminate, or from time to time reduce, the Commitment; *provided* that (i) each reduction of the Commitment shall be in an amount that is an integral multiple of \$100,000 and not less than \$500,000 and (ii) the Borrower shall not terminate or reduce the Commitment if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.8, the Revolving Credit Exposure would exceed the Commitment.

(c) The Borrower shall notify the Lender of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; *provided* that a notice of termination of the Commitment delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower (by notice to the Lender on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitment shall be permanent.

(d) The Borrower shall have the right to request an increase to the Commitment by making a written request for an additional Commitment to the Lender, provided that (i) any such request for an increase shall be in a minimum amount of \$2,000,000, (ii) the Borrower may make a maximum of three (3) such requests, (iii) after giving effect thereto, the sum of the total of the additional Commitments does not exceed \$10,000,000 and (iv) the procedures described in Section 2.6(e) below have been satisfied. Nothing contained in this Section 2.6 shall constitute, or otherwise be deemed to be, a commitment on the part of the Lender to increase its Commitment hereunder at any time.

(e) Any amendment hereto for such an increase or addition shall be in form and substance satisfactory to the Lender and shall only require the written signatures of the Lender and the Borrower. As a condition precedent to such an increase or addition, the Borrower shall deliver to the Lender (i) a certificate signed by an Authorized Representative of the Borrower (A) certifying that the Fourth Amendment Resolution has not been amended and remains in full effect as of the date of such request and (B) certifying that, before and after giving effect to such increase or addition, (1) the representations and warranties contained in Article 4 and the other Basic Documents are true and correct, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, (2) no Default exists and (3) the Borrower is in compliance (on a pro forma basis) with the covenants contained in Section 5.1(q), (ii) legal opinions and documents substantially consistent with those delivered on the Fourth Amendment Effective Date, to the extent requested by the Lender and (iii) a new promissory note payable to the Lender and in a form approved by the Lender, to the extent requested by the Lender.

(f) On the effective date of any such increase or addition, the Borrower shall be deemed to have repaid and reborrowed all outstanding Revolving Borrowings as of the date of any increase (or addition) in the Commitment (with such reborrowing to consist of the same Type of Revolving Borrowings, with related Interest Periods if applicable, specified in a notice delivered by the Borrower, in accordance with the requirements of Section 2.3). The deemed payments made pursuant to the immediately preceding sentence shall be accompanied by payment of all accrued interest on the amount prepaid and, in respect of each SOFR Loan, shall be subject to indemnification by the Borrower pursuant to the provisions of Section 2.13 if the deemed payment occurs other than on the last day of the related Interest Periods.

Section 2.7. Repayment of Loans; Evidence of Debt. (a) The Borrower hereby unconditionally promises to pay to the Lender the then unpaid principal amount of each Loan on

the Maturity Date.

(b) The Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to the Lender resulting from each Loan made by the Lender, the Type of each Loan and the Interest Period, if any, applicable thereto and the amounts of principal and interest payable and paid to the Lender from time to time hereunder. The entries made in such account or accounts shall be prima facie evidence of the existence and amounts of the obligations recorded therein; *provided* that the failure of the Lender to maintain such account or accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(c) The Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to the Lender a promissory note payable to the Lender and in a form approved by the Lender. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 7.3) be represented by one or more promissory notes in such form.

Section 2.8. Prepayment of Loans. (a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (b) of this Section and in accordance with any amounts due and owing pursuant to Section 2.13 of this Agreement.

(b) The Borrower shall notify the Lender by telephone (confirmed by fax) or through Electronic System, if arrangements for doing so have been approved by the Lender, of any prepayment hereunder (i) in the case of prepayment of a SOFR Borrowing, not later than 10:00 a.m., New York City time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of a Base Rate Borrowing, not later than 10:00 a.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; *provided* that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.6, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.6. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.2. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.10.

Section 2.9. Fees. The Borrower agrees to pay to the Lender the fees and other amounts set forth in the Fee Agreement at the time and in the manner set forth in the Fee Agreement, including, but not limited to, the Undrawn Fee and the Letter of Credit Fees. The Fee Agreement is, by this reference, incorporated herein in its entirety as if set forth herein in full. All fees and other amounts payable under the Fee Agreement shall be paid in immediately available funds. Fees paid shall not be refundable under any circumstances.

Section 2.10. Interest. (a) The Loans comprising each Base Rate Borrowing (other than Reimbursement Loans) shall bear interest at the Base Rate plus the Applicable Margin.

(b) The Loans comprising each SOFR Borrowing shall bear interest at the Adjusted Term SOFR Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) The Reimbursement Loans shall bear interest at the Base Rate plus the Applicable Margin.

(d) Upon the occurrence and continuance of an Event of Default hereunder, the Default Rate shall apply to all Loans and Letters of Credit. Interest and fees for Letters of Credit accruing at the Default Rate shall be payable on demand of the Lender. Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder or under the Fee Agreement is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 3% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section, (ii) in the case of the undrawn amount of all outstanding Letters of Credit at such time, 3% plus the LC Facility Fee (as defined in the Fee Agreement) and (iii) in the case of any other amount, 3% plus the rate applicable to Base Rate Loans as provided in paragraph (a) of this Section.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Commitment; *provided* that (i) interest accrued pursuant to paragraph (d) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Base Rate Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days and the actual number of days elapsed, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate, Adjusted Term SOFR Rate, and Term SOFR Rate shall be determined by the Lender, and such determination shall be conclusive absent manifest error.

(g) Anything herein to the contrary notwithstanding, the amount of interest payable hereunder for any interest period shall not exceed the Maximum Rate. If for any interest period the applicable interest rate would exceed the Maximum Rate, then (i) such interest rate will not exceed but will be capped at such Maximum Rate and (ii) in any interest period thereafter that the applicable interest rate is less than the Maximum Rate, any Obligation hereunder will bear interest at the Maximum Rate until the earlier of (x) payment to the Lender of an amount equal to the amount which would have accrued but for the limitation set forth in this Section and (y) the Maturity Date. Upon the Maturity Date or, if no Revolving Credit Exposure is outstanding, on the date the Commitment is permanently terminated, in consideration for the limitation of the rate of interest otherwise payable hereunder, to the extent permitted by Applicable Law, the Borrower shall pay to the Lender a fee in an amount equal to the amount which would have accrued but for

the limitation set forth in this Section 2.10(g) that has not previously been paid to the Lender in accordance with the immediately preceding sentence.

Section 2.11. Alternate Rate of Interest; Illegality. (a) Subject to clause (c) of this Section 2.11, if prior to the commencement of any Interest Period for a SOFR Borrowing:

(i) the Lender determines (which determination shall be conclusive and binding absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate or the Term SOFR Rate, as applicable, for such Interest Period; or

(ii) the Lender determines the Adjusted Term SOFR Rate or the Term SOFR Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to the Lender of making or maintaining its Loans (or Loan) included in such Borrowing for such Interest Period;

then the Lender shall give notice thereof to the Borrower by telephone, fax or through an Electronic System as provided in Section 7.2 as promptly as practicable thereafter and, until (x) the Lender notifies the Borrower that the circumstances giving rise to such notice no longer exist and (y) the Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.5 or a new Borrowing Request in accordance with the terms of Section 2.3, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a SOFR Borrowing shall be ineffective and any such SOFR Borrowing shall be repaid or converted into a Base Rate Borrowing on the last day of the then current Interest Period applicable thereto, and (B) if any Borrowing Request requests a SOFR Borrowing, such Borrowing shall be made as a Base Rate Borrowing.

(b) If the Lender determines that any Requirement of Law has made it unlawful, or if any Governmental Authority has asserted that it is unlawful, for the Lender or its applicable lending office to make, maintain, fund or continue any SOFR Borrowing, or any Governmental Authority has imposed material restrictions on the authority of the Lender to purchase or sell, or to take deposits of, dollars in the interbank offering market, then, on notice thereof by the Lender to the Borrower, any obligations of the Lender to make, maintain, fund or continue SOFR Loans or to convert Base Rate Borrowings to SOFR Borrowings will be suspended until the Lender notifies the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower will upon demand from the Lender, either prepay or convert all SOFR Borrowings of the Lender to Base Rate Borrowings, either on the last day of the Interest Period therefor, if the Lender may lawfully continue to maintain such SOFR Borrowings to such day, or immediately, if the Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrower will also pay accrued interest on the amount so prepaid or converted.

(c) Notwithstanding anything to the contrary herein or in any other [LoanBasic](#) Document (and any Swap Agreement shall be deemed not to be a “[LoanBasic](#) Document” for purposes of this 2.11(c)), if a Benchmark Transition Event has occurred, Lender may, by notice to Borrower, amend this Agreement to establish an alternate rate of interest for the Benchmark that

gives due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) the then-evolving or prevailing market convention for determining a benchmark rate as a replacement for the then current Benchmark at such time (the “*Alternate Rate*”); Borrower acknowledges that the Alternate Rate may include a mathematical adjustment using any then-evolving or prevailing market convention or method for determining a spread adjustment for the replacement of the Benchmark (which may include, if any Benchmark already contains such a spread, adding that spread to the Alternate Rate). The Lender may further amend this Agreement by such notice to Borrower to make technical, administrative or operational changes (including, without limitation, changes to the definition of “*Interest Period*”, timing and frequency of determining rates and making payments of interest, the timing of prepayment or conversion notices, the length of lookback periods, the applicability of breakage provisions and other technical, administrative or operational matters) that Lender decides in its reasonable discretion may be appropriate to reflect the adoption and implementation of the Alternate Rate. The Alternate Rate, together with all such technical, administrative and operational changes as specified in any notice, shall become effective at the later of (i) the fifth Business Day after Lender has provided notice (including without limitation for this purpose, by electronic means) to the Borrower (the “*Objection Date*”) and (ii) a date specified by Lender in the notice, without any further action or consent of the Borrower, so long as Lender has not received, by 5:00 pm Eastern time on the Objection Date, written notice of objection to the Alternate Rate from the Borrower. If, on the date the Benchmark actually becomes permanently unavailable pursuant to a Benchmark Transition Event, an Alternate Rate has not been established in this manner, Advances will, until an Alternate Rate is so established, bear interest at the Base Rate. In no event shall the Alternate Rate be less than the Floor.

(d) All determinations by Lender under this Section 2.11 shall be conclusive and binding absent manifest error and may be made in its sole discretion and without consent from any other party to this Agreement or any other [Loan Basic](#) Document, except, in each case, as expressly required pursuant to this Section 2.11.

Section 2.12. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, the Lender (except any such reserve requirement reflected in the Adjusted Term SOFR Rate); or

(ii) impose on the Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by the Lender or any Letter of Credit; or

(iii) subject the Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to the Lender of making, continuing, converting into or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to the Lender of issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by the Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to the Lender such additional amount or amounts as will compensate the Lender for such additional costs incurred or reduction suffered.

(b) If the Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Lender's capital or on the capital of the Lender's holding company, as a consequence of this Agreement, the Commitment of or the Loans made by, or the Letters of Credit issued by, the Lender, to a level below that which the Lender or the Lender's holding company could have achieved but for such Change in Law (taking into consideration the Lender's policies and the policies of the Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to the Lender such additional amount or amounts as will compensate the Lender or the Lender's holding company for any such reduction suffered.

(c) A certificate of the Lender setting forth the amount or amounts necessary to compensate the Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay the Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of the Lender to demand compensation pursuant to this Section shall not constitute a waiver of the Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate the Lender pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that the Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of the Lender's intention to claim compensation therefor; *provided further* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.13. Break Funding Payments. In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.8 hereof), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto, or (c) the failure to borrow, convert, continue or prepay any SOFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.8(b) and is revoked in accordance therewith), then, in any such event, the Borrower shall compensate the Lender for the loss, cost and expense attributable to such event. In the case of a SOFR Loan, such loss, cost or expense to the Lender shall be deemed to include an amount determined by the Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such SOFR Loan had such event not occurred, at the Adjusted Term SOFR Rate that would have been applicable to such SOFR Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest

Period for such SOFR Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which the Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the applicable interbank market, whether or not such SOFR Loan was in fact funded. A certificate of the Lender setting forth any amount or amounts that the Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay the Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

Section 2.14. Payments Free of Taxes. (a) Any and all payments by or on account of any obligation of the Borrower under any Basic Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of the Borrower) requires the deduction or withholding of any Tax from any such payment by the Borrower, then the Borrower shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.14) the Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Lender timely reimburse the Lender for, Other Taxes.

(c) As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 2.14, the Borrower shall deliver to the Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender.

(d) The Borrower shall indemnify the Lender, within 30 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Lender or required to be withheld or deducted from a payment to the Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by the Lender shall be conclusive absent manifest error.

(e) If the Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.14 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). The Borrower,

upon the request of the Lender, shall repay to the Lender the amount paid over pursuant to this paragraph (e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (e), in no event will the Lender be required to pay any amount to the Borrower pursuant to this paragraph (e) the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require the Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

(f) Each party's obligations under this Section 2.14 shall survive any assignment of rights by the Lender, the termination of the Commitment and the repayment, satisfaction or discharge of all obligations under any Basic Document.

(g) For purposes of this Section 2.14, the term "applicable law" includes FATCA.

Section 2.15. Payments Generally. (a) The Borrower shall make each payment required to be made by it hereunder or under the Fee Agreement (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.12, 2.13 or 2.14, or otherwise) prior to 12:00 noon, New York City time, on the date when due, in immediately available funds, without set off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Lender, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Lender at its offices at 270 Park Avenue, New York, New York, except that payments pursuant to Sections 2.12, 2.13, 2.14 and 7.5 shall be made directly to the Persons entitled thereto. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Lender to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, and (ii) second, ratably towards payment of principal and unreimbursed LC Disbursements then due hereunder.

Section 2.16. Mitigation Obligation. If the Lender requests compensation under Section 2.12, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to the Lender or any Governmental Authority for the account of the Lender pursuant to Section 2.14, then the Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of the Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Sections 2.12 or 2.14, as the case may be, in the future and (ii) would not subject the Lender to any unreimbursed cost or expense and would

not otherwise be disadvantageous to the Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by the Lender in connection with any such designation or assignment.

Section 2.17. Extension of Maturity Date. The Maturity Date may be extended an unlimited number of times, in each case in the manner set forth in this Section 2.17. Upon receipt of written request of the Borrower to extend the Maturity Date, received no more than one hundred twenty (120) days and no less than sixty (60) days prior to the then current Maturity Date, the Lender will use its commercially reasonable efforts to notify the Borrower of its response within thirty (30) days of receipt of the request therefor (the Lender's decision to be made in its sole and absolute discretion and on such terms and conditions as to which the Lender and the Borrower may agree); *provided, however*, that the failure of the Borrower to receive a written confirmation from the Lender within the time established therefor shall be deemed a denial of such request. Any extension of the Maturity Date will be deemed to be on the existing terms of this Agreement unless the Lender and the Borrower have entered into a written agreement confirming a change in any term of this Agreement.

Section 2.18. Pledge; Security of Obligations. The Net Revenues are hereby pledged by the Borrower to the payment of the Obligations without priority or distinction of one Obligation over another Obligation. The pledge of Net Revenues is valid and binding in accordance with the terms of the Act, the Joint Powers Agreement and the Resolution, and the Net Revenues shall immediately be subject to the pledge, and the pledge shall constitute a lien and security interest which shall immediately attach to the Net Revenues and be effective, binding, and enforceable against the Borrower, its successors, creditors, and all others asserting the rights therein, to the extent set forth in this Agreement, and in accordance with the Act, the Joint Powers Agreement and the Resolution, irrespective of whether those parties have notice of the pledge and without the need for any physical delivery, recordation, filing, or further act. The pledge of the Net Revenues herein made shall be irrevocable until the Commitment has expired or been terminated and the principal of and interest on each Loan and all fees payable hereunder shall have been paid in full and all Letters of Credit shall have expired or terminated, in each case, without any pending draw, and all LC Disbursements shall have been reimbursed. Notwithstanding any other provision of this Agreement to the contrary, all Obligations are limited obligations of the Borrower payable solely from Net Revenues. The pledge of the Net Revenues herein made shall be senior to any pledge of the Net Revenues made with respect to any Subordinate Debt.

ARTICLE 3

CONDITIONS

Section 3.1. Conditions Precedent to Effectiveness. The obligation of the Lender to make Loans and to issue Letters of Credit hereunder shall not become effective until the date on which each of the following conditions is satisfied:

(c) *Defaults; Representations and Warranties.* On and as of the Closing Date, the representations of the Borrower set forth in Article Four hereof are true and correct in all material respects on and as of the Closing Date with the same force and effect as if made on and as of such date and no Default or Event of Default has occurred and is continuing or would result from the execution and delivery of this Agreement and the Fee Agreement.

(d) *No Litigation.* No action, suit, investigation or proceeding is pending or, to the knowledge of the Borrower, threatened (i) in connection with the Basic Documents or any transactions contemplated thereby or (ii) against or affecting the Borrower, the result of which could have a Material Adverse Effect.

(e) *No Material Adverse Change.* Since the date of the 2020 Audited Financial Statements, (i) no Material Adverse Change has occurred in the status of the business, operations or condition (financial or otherwise) of the Borrower or its ability to perform its obligations under the Basic Documents and (ii) to the best of its knowledge, no law, regulation, ruling or other action (or interpretation or administration thereof) of the United States, the State of California or any political subdivision or authority therein or thereof is in effect or has occurred, the effect of which would be to prevent the Lender from fulfilling its obligations under this Agreement or the Letters of Credit.

(f) *Certificate.* The Lender has received (i) certified copies of all proceedings of the Borrower authorizing the execution, delivery and performance of the Basic Documents and the transactions contemplated thereby and (ii) a certificate or certificates of one or more Authorized Representatives dated the Closing Date certifying the accuracy of the statements made in Section 3.1(c), (d), (e) and (i) hereof and further certifying the name, incumbency and signature of each individual authorized to sign this Agreement, the Fee Agreement and the other documents or certificates to be delivered by the Borrower pursuant hereto or thereto, on which certification the Lender may conclusively rely until a revised certificate is similarly delivered, and that the conditions precedent set forth in this Section 3.1 have been satisfied.

(g) *Payment of Fees.* The Lender has received all fees and expenses due and payable to the Lender and/or its legal counsel pursuant to the Fee Agreement.

(j) *Other Matters.* The Lender has received such other statements, certificates, agreements, documents and information with respect to the Borrower and matters contemplated by this Agreement as the Lender may have requested.

Section 3.2. Conditions Precedent to each Credit Event. The obligation of the Lender to make a Loan on the occasion of any Borrowing, and of the Lender to issue, amend, renew or extend any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) The Borrower shall have filed the necessary notices and filings with and provided for payment to the California Debt Issuance Advisory Commission of any fee related thereto.

Section 3.3. Condition Subsequent to Closing Date. Within five (5) Business Days of the Closing Date, the Borrower shall provide written evidence that the Existing Debt has been paid in full in immediately available funds, and such Existing Debt and the documents thereto shall have been terminated to the satisfaction of the Lender. Failure to comply with this Section 3.3 shall constitute an Event of Default under Section 6.1 hereunder.

ARTICLE 4

REPRESENTATIONS AND WARRANTIES

In order to induce the Lender to make Loans and issue the Letters of Credit, the Borrower represents and warrants to the Lender as follows:

Section 4.1. Organization, Powers, Etc. The Borrower (a) is a public agency formed under the provisions of the Joint Powers Act that is qualified to be a community choice aggregator pursuant to California Public Utilities Code Section 366.2 and; (b) has full and adequate power to own its Property and conduct its business as now conducted, and is duly licensed or qualified in each jurisdiction in which the nature of the business conducted by it or the nature of the Property owned or leased by it requires such licensing or qualifying unless the failure to be so licensed or qualified could not reasonably be expected to have a Material Adverse Effect. The Borrower has the agency power to (i) execute, deliver and perform its obligations under the Basic Documents; (ii) provide for the security of this Agreement and the Fee Agreement pursuant to the Joint Powers Act; and (iii) has complied with all Laws in all matters related to such actions of the Borrower as are contemplated by the Basic Documents.

Section 4.2. Authorization, Absence of Conflicts, Etc. The execution, delivery and performance by the Borrower of the Basic Documents (a) have been duly authorized by all necessary action on the part of the Borrower, (b) do not conflict with, or result in a violation of, any Laws, including the Joint Powers Agreement, or any order, writ, rule or regulation of any court or governmental agency or instrumentality binding upon or applicable to the Borrower which violation would result in a Material Adverse Effect and (c) do not conflict with, result in a violation of, or constitute a default under, any resolution, agreement or instrument to which the Borrower is a party or by which the Borrower or any of its property is bound which, in any case, would result in a Material Adverse Effect.

Section 4.3. Binding Obligations. The Basic Documents are valid and binding obligations of the Borrower (assuming due authorization, execution and delivery by the other parties thereto) enforceable against the Borrower in accordance with their respective terms, except to the extent, if any, that the enforceability thereof may be limited by (i) any applicable bankruptcy, insolvency, reorganization, moratorium or other similar law of the State or Federal government affecting the enforcement of creditors' rights generally heretofore or hereafter enacted, (ii) the fact that enforcement may also be subject to the exercise of judicial discretion in appropriate cases and (iii) the limitations on legal remedies against public agencies of the State.

Section 4.4. Governmental Consent or Approval. No consent, approval, permit, authorization or order of, or registration or filing with, any court or government agency, authority or other instrumentality not already obtained, given or made is required on the part of the Borrower for execution, delivery and performance by the Borrower of the Basic Documents.

Section 4.5. Absence of Material Litigation. There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, arbitrator or governmental or other board, body or official pending or, to the best knowledge of the Borrower, threatened against or affecting the Borrower questioning the validity of the Joint Powers Agreement, the execution, delivery and performance by the Borrower of the Basic Documents or any proceeding taken or to be taken by the Borrower or the Board in connection therewith, or seeking to prohibit, restrain or enjoin the execution, delivery and performance by the Borrower of the Basic Documents, or which could reasonably be expected to result in any Material Adverse Effect, or wherein an unfavorable decision, ruling or finding would in any way materially adversely affect the transactions contemplated by the Basic Documents (any such action or proceeding being herein referred to as

“Material Litigation”).

Section 4.6. Financial Condition. The most recent audited financial statements of the System delivered (or deemed delivered) to the Lender (the “*Audited Financial Statements*”) were prepared in accordance with GAAP applied on a consistent basis throughout the periods involved and were subject to certification by independent certified public accountants of nationally recognized standing or by independent certified public accountants otherwise acceptable to the Lender. The most recent unaudited financial statements of the System delivered (or deemed delivered) to the Lender were prepared on a consistent basis and in accordance with GAAP. The data on which such financial statements and budget reports are based were true and correct in all material respects. The Audited Financial Statements and the budget reports present fairly the net position of the System as of the date they purport to represent and the revenues, expenses and changes in fund balances and in net position for the periods then ended. Since the date of the most recent Audited Financial Statements delivered to the Lender, no Material Adverse Effect has occurred.

Section 4.7. Incorporation of Representations and Warranties. The representations and warranties of the Borrower set forth in the Basic Documents (other than this Agreement and the Fee Agreement) are true and accurate in all material respects on the Closing Date, as fully as though made on the Closing Date. The Borrower makes, as of the Closing Date, each of such representations and warranties to, and for the benefit of, the Lender, as if the same were set forth at length in this Section 4.7 together with all applicable definitions thereto. No amendment, modification or termination of any such representations, warranties or definitions contained in the Basic Documents (other than this Agreement and the Fee Agreement) will be effective to amend, modify or terminate the representations, warranties and definitions incorporated in this Section 4.7 by this reference, without the prior written consent of the Lender.

Section 4.8. Accuracy and Completeness of Information. The Basic Documents and all certificates, financial statements, documents and other written information furnished to the Lender by or on behalf of the Borrower in connection with the transactions contemplated hereby were, as of their respective dates, complete and correct in all material respects to the extent necessary to give the Lender true and accurate knowledge of the subject matter thereof and did not contain any untrue statement of a material fact.

Section 4.9. No Default. (a) No Default or Event of Default under this Agreement has occurred and is continuing.

(b) No “event of default” has occurred and is continuing under any other material mortgage, indenture, contract, agreement or undertaking respecting the System (including, but not limited to, any PPA) to which the Borrower is a party or which purports to be binding on the Borrower or on any of the property of the System.

Section 4.10. No Proposed Legal Changes. There is no amendment or, to the knowledge of the Borrower, proposed amendment to the Constitution of the State, any State law or the Joint Powers Agreement or any administrative interpretation of the Constitution of the State, any State law, or the Joint Powers Agreement, or any judicial decision interpreting any of the foregoing, the

effect of which could reasonably be expected to have a Material Adverse Effect.

Section 4.11. Compliance with Laws, Etc. The Borrower is in compliance with the Investment Policy and all Laws applicable to the Borrower, non-compliance with which could reasonably be expected to have a Material Adverse Effect. In addition, no benefit plan maintained by the Borrower for its employees is subject to the provisions of ERISA, and the Borrower is in compliance with all Laws in respect of each such benefit plan.

Section 4.12. Environmental Matters. In the ordinary course of its business, the Borrower conducts an ongoing review of Environmental Laws on the business, operations and the condition of its property, in the course of which it identifies and evaluates associated liabilities and costs (including, but not limited to, any capital or operating expenditures required for clean-up or closure of properties currently or previously owned or operated, any capital or operating expenditures required to achieve or maintain compliance with environmental protection standards imposed by law or as a condition of any license, permit or contract, any related constraints on operating activities, including any periodic or permanent shutdown of any facility or reduction in the level of or change in the nature of operations conducted thereat and any actual or potential liabilities to third parties, including employees, and any related costs and expenses). On the basis of such review, the Borrower does not believe that Environmental Laws are likely to have a Material Adverse Effect.

Section 4.13. Regulation U. The Borrower is not engaged in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation U issued by the Board of Governors of the Federal Reserve System).

Section 4.14. Liens. This Agreement creates a valid Lien on and pledge of the Net Revenues to secure the payment and performance of the Borrower's obligations under this Agreement and the Fee Agreement, and no filings, recordings, registrations or other actions are necessary on the part of the Borrower, the Lender or any other Person to create or perfect such Lien. Except for the Lien over Net Revenues contained in this Agreement, there is no pledge of or Lien on Net Revenues.

Section 4.15. Sovereign Immunity. The Borrower is not entitled to claim immunity on the grounds of sovereignty or other similar grounds (including, without limitation, governmental immunity) with respect to itself or its revenues (irrespective of their use or intended use) from (i) any action, suit or other proceeding arising under or relating to this Agreement or any other Basic Document, (ii) relief by way of injunction, order for specific performance or writ of mandamus or for recovery of property or (iii) execution or enforcement of any judgment to which it or its revenues might otherwise be made subject in any action, suit or proceeding relating to this Agreement or any other Basic Document, and no such immunity (whether or not claimed) may be attributed to the Borrower or its revenues.

Section 4.16. Usury. The terms of the Basic Documents regarding the calculation and payment of interest and fees do not violate any applicable usury laws.

Section 4.17. Insurance. As of the Closing Date, the Borrower maintains such insurance,

including self-insurance, as is required by Section 5.1(k) hereof.

Section 4.18. ERISA. The Borrower does not maintain or contribute to, and has not maintained or contributed to, any Employee Plan that is subject to Title IV of ERISA.

Section 4.19. Sanctions Concerns and Anti-Corruption Laws. The Borrower and its respective officers and directors and to the knowledge of the Borrower, its employees and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. None of (a) the Borrower, any of its directors or officers or employees, or (b) to the knowledge of the Borrower, any agent of the Borrower that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No Borrowing or Letter of Credit, use of proceeds, Transaction or other transaction contemplated by this Agreement or the other Basic Documents will violate Anti-Corruption Laws or applicable Sanctions.

Section 4.20. System Debt. The Borrower has not incurred or issued any System Debt other than the System Debt created under this Agreement and the Member Capital Advances.

ARTICLE 5

COVENANTS

Section 5.1. Affirmative Covenants. Until the Commitment has expired or been terminated and the principal of and interest on each Loan and all fees payable hereunder shall have been paid in full and all Letters of Credit shall have expired or terminated, in each case, without any pending draw, and all LC Disbursements shall have been reimbursed, the Borrower covenants and agrees with the Lender that:

(a) *Accounting and Reports.* The Borrower shall maintain a standard system of accounting in accordance with GAAP consistently applied and furnish to the Lender:

(i) as soon as available, and in any event within sixty (60) days after the close of each of the first three (3) fiscal quarters of each Fiscal Year, an unaudited balance sheet of Borrower, including the specific amount in the Operating Reserve, as of the last day of the quarterly period then ended and the statements of income, retained earnings and cash flows of Borrower for the quarterly period then ended, prepared in accordance with GAAP and in a form acceptable to Lender;

(ii) as soon as available, and in any event within six (6) months after the close of each Fiscal Year of Borrower, a copy of the audited balance sheet of Borrower, including the specific amount in the Operating Reserve, as of the last day of the Fiscal Year then ended and the statements of income, retained earnings and cash flows of Borrower for the Fiscal Year then ended, and accompanying notes thereto, each in reasonable detail showing in comparative form the figures for the previous Fiscal Year, accompanied by an unqualified opinion thereon of Borrower's independent public accountants, to the effect that the financial

statements have been prepared in accordance with GAAP and present fairly in accordance with GAAP the financial condition of Borrower as of the close of such Fiscal Year and the results of its operations and cash flows for the Fiscal Year then ended and that an examination of such accounts in connection with such financial statements has been made in accordance with generally accepted auditing standards and, accordingly, such examination included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances;

(iii) promptly after receipt thereof, any additional written reports, management letters or other detailed information contained in writing concerning significant aspects of Borrower's operations and financial affairs given to it by its independent public accountants;

(iv) promptly after knowledge thereof shall have come to the attention of any responsible officer of Borrower, written notice of any litigation threatened in writing or any pending litigation or governmental proceeding or labor controversy against Borrower which, if adversely determined, could reasonably be expected to have a Material Adverse Effect or result in the occurrence of any Default or Event of Default hereunder;

(v) as soon as available, and in any event within 30 days of adoption, the Borrower shall provide the Lender its annual budget;

(vi) as soon as available, and in any event within 30 days of the end of each month, the monthly operating information of the Borrower, substantially in the form agreed upon between CEA and the Lender, which shall include customer enrollments, opt-outs, total revenues and a summary report of all hedging transactions described in Section 5.1(u) hereof;

(vii) as soon as available and, in any event, within forty-five (45) days after the end of each calendar month, a monthly liquidity report disclosing Available Liquidity after the end of such preceding calendar month, in form and substance satisfactory to the Bank;

(viii) promptly after receipt thereof, copies of each PPA entered into by the Borrower; and

(ix) promptly after the request therefor, all such other information as Lender may reasonably request.

Each of the financial statements furnished to Lender pursuant to subsection (a)(i) and (ii) of this Section 5.1 shall be accompanied by a compliance certificate, substantially in the form of Exhibit B hereto, signed by an Authorized Representative (i) stating that no Event of Default or Default has occurred or if any Event of Default or Default has occurred, specifying the nature of such Event of Default or Default, the period of its

existence, the nature and status thereof and any remedial steps taken or proposed to correct such Event of Default or Default, (ii) including (A) a reasonably detailed calculation of the amount of the Available Liquidity (including amounts in each individual reserve fund of the Borrower) as of the end of such fiscal quarter or Fiscal Year, as applicable, (B) a certification of compliance with Section 5.1(q) hereof and the related Debt Service Coverage Ratio and Days Liquidity on Hand calculations, (C) the amount set forth in the Operating Reserve and (D) any updates to the most recent annual budget provided pursuant to Section 5.1(n) hereof.

(b) *Access to Records.* At any reasonable time and from time to time, during normal business hours and, so long as no Event of Default has occurred and is continuing, on at least five (5) Business Days' notice, the Borrower shall permit the Lender or any of its agents or representatives to visit and inspect any of the properties of the Borrower and the other assets of the Borrower, to examine the books of account of the Borrower (and to make copies thereof and extracts therefrom), and to discuss the affairs, finances and accounts of the Borrower with, and to be advised as to the same by, its officers, all at such reasonable times and intervals as the Lender may reasonably request.

(c) *Compliance with Basic Documents; Operation and Maintenance of System.*

(i) The Borrower shall perform and comply with each covenant set forth in the Basic Documents and any other agreements, instruments or documents evidencing Parity Debt or Subordinate Debt. By the terms of this Agreement, the Lender is hereby made a third party beneficiary of the covenants set forth in each of the Basic Documents (other than this Agreement and the Fee Agreement), and each such covenant, together with the related definitions of terms contained therein, is incorporated by reference in this Section 5.1(c) with the same effect as if it were set forth herein in its entirety. Except as otherwise set forth in paragraph (ii) below and in Section 5.2(a) hereof, the Borrower will not amend, supplement or otherwise modify (or permit any of the foregoing), or request or agree to any consent or waiver under, or effect or permit the cancellation, acceleration or termination of, or release or permit the release of any collateral held under any of the Basic Documents in any manner without the prior written consent of the Lender, and the Borrower shall take, or cause to be taken, all such actions as may be reasonably requested by the Lender to strictly enforce the obligations of the other parties to any of the Basic Documents, as well as each of the covenants set forth therein. The Borrower shall give prior written notice to the Lender of any action referred to in this subparagraph (i).

(ii) The Borrower covenants that it will maintain and preserve the System in good repair and working order at all times from the Revenues available for such purposes, in conformity with standards customarily followed for municipal power systems of like size and character. The Borrower will from time to time make all necessary and proper repairs, renewals, replacements and substitutions to the properties of the System, so that at all times business carried on in connection with the System shall and can be properly and advantageously conducted in an efficient manner and at reasonable cost, and will operate the System in an efficient and economical manner and shall not commit or allow any waste with respect to the System.

(d) *Defaults.* The Borrower shall notify the Lender of any Default or Event of Default of which the Borrower has knowledge, as soon as possible and, in any event, within three (3) Business Days of acquiring knowledge thereof, setting forth the details of such Default or Event of Default and the action which the Borrower has taken and proposes to take with respect thereto.

(e) *Compliance with Laws.* The Borrower shall comply in all material respects with all Laws binding upon or applicable to the Borrower (including Environmental Laws) and material to the Basic Documents. The Borrower will maintain in effect and enforce policies and procedures designed to ensure compliance by the Borrower and its respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions. The Borrower will not use or allow any tenants or subtenants to use its Property for any business activity that violates any federal or state law or that supports a business that violates any federal or state law.

(f) *Investment Policy and Guidelines.* The Borrower shall promptly notify the Lender in writing, not less than thirty (30) days after the Borrower receives notice of the formal consideration thereof, of any change proposed to the Investment Policy, which proposed change would increase the types of investments permitted thereby as of the Closing Date.

(g) *Notices.* The Borrower shall promptly give notice to the Lender of any action, suit or proceeding actually known to it at law or in equity or by or before any court, governmental instrumentality or other agency which, if adversely determined, would materially impair the ability of the Borrower to perform its obligations under any Basic Document.

(h) *Bank Agreements.* In the event that Borrower shall enter into or otherwise consent to any amendment, supplement or other modification of any Bank Agreement after the Closing Date which Bank Agreement contains additional or more restrictive covenants or additional or more restrictive events of default or additional or improved remedies ("*Improved Provisions*," which for the avoidance of doubt does not include pricing, termination fees and provisions related to interest rates but does include improved term-out provisions), then the Borrower shall provide the Lender with a copy of such Bank Agreement and the Improved Provisions shall automatically be deemed incorporated into this Agreement and the Lender shall have the benefit of the Improved Provisions until such time as the Bank Agreement containing such Improved Provisions terminates. The Borrower shall promptly cooperate with the Lender to enter into an amendment of this Agreement to include such Improved Provisions.

(i) *Further Assurances.* The Borrower shall execute, acknowledge where appropriate and deliver, and cause to be executed, acknowledged where appropriate and delivered, from time to time, promptly at the request of the Lender, all such instruments and documents as are usual and customary or advisable to carry out the intent and purpose of the Basic Documents.

(j) *Notices.* The Borrower shall promptly furnish, or cause to be furnished, to the Lender (i) notice of the occurrence of any “default” or “event of default” or “termination event” under any Basic Document (other than this Agreement and the Fee Agreement) or any PPA, (ii) copies of any communications received from any Governmental Authority with respect to the transactions contemplated by the Basic Documents or any other System Debt which are not restricted or prohibited from being shared with the Lender under the law or the direction of a court of competent jurisdiction or other Governmental Authority, (iii) notice of any proposed modification to any Lockbox Security Document, (iv) copies of all PPAs and modifications thereto, promptly following the execution thereof; *provided, however,* that to the extent any such PPA is subject to a confidentiality agreement, pricing, credit-specific, and other commercially sensitive provisions may be redacted by the Borrower in order to comply with such confidentiality agreement, (v) notice of any proposed substitution of any Letter of Credit, and (vi) notice of the passage of any state or local Law not of general applicability to all Persons of which the Borrower has knowledge, which could reasonably be expected to have a Material Adverse Effect.

(k) *Maintenance of Insurance.* The Borrower shall maintain, or cause to be maintained, at all times, insurance on and with respect to its properties with responsible and reputable insurance companies; *provided, however,* that the Borrower may maintain self-insurance general liability on its properties not covered by the public entity property insurance program policy, for worker’s compensation and vehicle liability and, with the consent of the Lender, such other self-insurance as it deems prudent. Such insurance must include casualty, liability and workers’ compensation and be in amounts and with deductibles and exclusions customary and reasonable for governmental entities of similar size and with similar operations as the Borrower. The Borrower shall, upon request of the Lender, furnish evidence of such insurance to the Lender. The Borrower shall also procure and maintain at all times adequate fidelity insurance or bonds on all officers and employees handling or responsible for any Revenues or funds of the System, such insurance or bond to be in an aggregate amount at least equal to the maximum amount of such Revenues or funds at any one time in the custody of all such officers and employees or in the amount of one million dollars (\$1,000,000), whichever is less. The insurance described above may be provided as part of any comprehensive fidelity and other insurance and not separately for the System.

(l) *Preservation of Security.* The Borrower shall take any and all actions necessary to preserve and defend the pledge of Net Revenues set forth in this Agreement.

(m) *Rates.* The Borrower shall fix, establish, maintain and collect rates and charges for electric power and energy and other services, facilities and commodities sold, furnished or supplied through the facilities of the System, which shall be fair and nondiscriminatory and adequate to provide the Borrower with Revenues in each Fiscal Year sufficient to pay, to the extent not paid from other available moneys, any and all amounts the Borrower is obligated to pay or set aside from Revenues by law or contract in such Fiscal Year. If the Borrower adjusts rates and charges as described in the preceding sentence and the cumulative integer of such adjustments is 5% or greater than the budgeted

rates and charges set forth in the most recent annual budget delivered pursuant to Section 5.1(n) hereof, the Borrower will be required to promptly notify the Bank and provide the Bank with an updated twelve (12) month financial projection of Revenues.

(n) *Budget.* The Borrower shall include in each annual budget of the Borrower all amounts reasonably anticipated to be necessary to pay all obligations due to the Lender hereunder and under the Fee Agreement. If the amounts so budgeted are not adequate for the payment of the obligations due hereunder and under the Fee Agreement, the Borrower shall take such action as may be necessary to cause such annual budget to be amended, corrected or augmented so as to include therein the amounts required to be paid to the Lender during the course of the Fiscal Year to which such annual budget applies.

(o) *Payment of Taxes, Etc.* The Borrower shall pay and discharge, or cause to be paid and discharged, all taxes, assessments and other governmental charges which may hereafter be lawfully imposed upon the Borrower on account of the System or any portion thereof and which, if unpaid, might impair the security of this Agreement and the Fee Agreement, but nothing herein contained will require the Borrower to pay any such tax, assessment or charge so long as it in good faith contests the validity thereof. The Borrower shall duly observe and comply with all valid material requirements of any Governmental Authority relative to the System or any part thereof.

(p) *Lockbox Security Documents and PPAs.* The Borrower shall perform and comply with all its agreements and covenants set forth in the Lockbox Security Documents and the PPAs. The Borrower will not amend, supplement or otherwise modify (or permit any of the foregoing) any Lockbox Security Document in any manner that could reasonably be expected to have a materially adverse effect on the interests of the Lender without the prior written consent of the Lender, and the Borrower shall take, or cause to be taken, all such actions as may be reasonably requested by the Lender to strictly enforce the obligations of the other parties to any of the Lockbox Security Documents, as well as each of the covenants set forth therein. The Borrower shall give prior written notice to the Lender of any proposed action referred to in this subparagraph (p).

(q) *Debt Service Coverage.* The Borrower shall maintain a Debt Service Coverage Ratio of not less than 1.40 for each fiscal quarter of the Borrower, commencing with the fiscal quarter ended June 30, 2023. The Debt Service Coverage Ratio shall be tested on a rolling last twelve month basis and forward for the following twelve months as of the last day of each fiscal quarter commencing with the fiscal quarter ended June 30, 2023. The Borrower shall determine the Debt Service Coverage Ratio at each fiscal quarter and provide written notice thereof together with supporting calculations in reasonable detail to the Lender as soon as practicable following the end of a fiscal quarter and in any event no later than forty-five (45) calendar days following the end of such fiscal quarter (each such notice, a "*Debt Service Coverage Ratio Notice*"). Notwithstanding the foregoing, during any fiscal quarter in which the Debt Service Coverage Ratio is less than 1.40 for such fiscal quarter, the Borrower shall have been deemed to have cured its failure to maintain a Debt Service Coverage Ratio of 1.40 (the "*Days Liquidity on Hand Cure*") if (i) during the fiscal quarter ending June 30, 2023, Days Liquidity on Hand exceeds thirty

(30) days as of the last day of such fiscal quarter in which the Debt Service Coverage Ratio is less than 1.40 for such fiscal quarter or (ii) during any fiscal quarter in the Fiscal Year ending June 30, 2024 and thereafter, Days Liquidity on Hand exceeds fifty (50) days as of the last day of such fiscal quarter in which the Debt Service Coverage Ratio is less than 1.40 for such fiscal quarter; *provided* that the Days Liquidity on Hand Cure may only be applied two (2) times in the aggregate for any consecutive four (4) fiscal quarters or such failure to maintain a Debt Service Coverage Ratio of not less than 1.40 shall be deemed to be a breach of this Section 5.1(q).

(r) *Reserve Policy.* (i) The Borrower shall comply with the terms of its Reserve Policy in all respects and shall not amend such Reserve Policy without the prior written consent of the Lender.

(ii) As of the end of each Fiscal Year (commencing with Fiscal Year ending June 30, 2022), as shown in the audited balance statement of the Borrower delivered pursuant to Section 5.1(a)(ii) hereof for such Fiscal Year, the Borrower shall maintain an Operating Reserve in an amount equal to at least five percent (5%) of Revenues to cover unexpected revenue losses, extraordinary payments and other contingencies, and to provide liquidity in connection with the Borrower's outstanding Debt.

(s) *Use of Proceeds.* (i) The proceeds of the Loans will be used only for working capital purposes to repay LC Disbursements, to cash collateralize PPA obligations or, through September 30, 2021, to pay interest accrued on any Loans hereunder or any fees owing hereunder or under the Fee Agreement. No part of the proceeds of any Loan and no Letter of Credit will be used, whether directly or indirectly, for any purpose that entails a violation of any of the regulations of the Federal Reserve Board, including Regulations T, U and X. Letters of Credit will be issued only to support collateral posting requirements under PPAs.

(ii) The Borrower will not request any Borrowing or Letter of Credit, and the Borrower shall not use, and shall procure that its directors, officers, employees and agents shall not use, the proceeds of any Borrowing or Letter of Credit (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, except to the extent permitted for a Person required to comply with Sanctions, or (c) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

(t) *Repayment.* The Borrower shall repay \$5,000,000 aggregate principal amount of Loans on or before December 31, 2023 and may not reborrow such amount for at least thirty (30) consecutive days.

(u) *Required Power Purchase Hedging.* No later than August 31, 2022, and at all times thereafter, the Borrower will maintain one or more hedging transactions in connection with its power purchase requirements (which may include, without limitation,

long-term fixed price purchase contracts) with one or more counterparties reasonably acceptable to the Lender, covering the percentage of projected load requirements (including, without limitation, projected load requirements for the cities of Escondido and San Marcos and any other approved new Members) of the Borrower during each related period specified below:

<i>Period</i>	<i>Required Percentage of Projected Load Requirements Hedged</i>
1/1/22 through 12/31/22	80%
1/1/23 through 12/31/23	60%
1/1/24 through 12/31/24	40%

Without limiting the foregoing, the Lender may in its reasonable discretion, by written notice to the Borrower, adjust the periods and percentages (but in any event not greater than the respective percentages specified above for any three-year consecutive period) specified in this clause (u) (including, without limitation, a “roll forward” of such requirements), it being understood that any such adjustment shall (i) not occur more than once per fiscal year, (ii) not occur until after the annual meeting between the Borrower and the Lender to discuss such requirements (which both parties agree to hold at least once per year), and (iii) give due regard to then prevailing market conditions for power purchases and CEA’s financial condition at the time of any such adjustment, the Lender hereby agreeing to consider such factors described in this clause (iii) in good faith in connection with any such adjustment.

Section 5.2. Negative Covenants. Until the Commitment has expired or been terminated and the principal of and interest on each Loan and all fees payable hereunder shall have been paid in full and all Letters of Credit shall have expired or terminated, in each case, without any pending draw, and all LC Disbursements shall have been reimbursed, the Borrower covenants and agrees with the Lender that it will not:

(a) *No Impairment.* Take any action that would have an adverse effect on (i) the ability of the Borrower to pay when due amounts owing to the Lender or any Participant under this Agreement or the Fee Agreement; (ii) the pledge of Net Revenues or the priority of payments from Net Revenues provided in this Agreement; or (iii) the rights or remedies of the Lender under the Basic Documents.

(b) *Merger, Disposition of Assets.* Consolidate or merge with or into any Person or sell, lease or otherwise transfer all or substantially all of its assets to any Person.

(c) *Abandon.* Take any action to abandon the System or any significant portion thereof.

(d) *Preservation of Corporate Existence, Etc.* Take any action to terminate its existence as a public agency under the Joint Powers Act or its rights and privileges as such

entity within the State.

(e) *Liens.* Create or suffer to exist or permit any Lien on the Revenues or the proceeds thereof other than the Liens (i) created by this Agreement, and (ii) created by the Security Agreement.

(f) *Sovereign Immunity.* To the fullest extent permitted by applicable law, with respect to its obligations arising under this Agreement or any other Basic Document, the Borrower irrevocably agrees that it will not assert or claim any immunity on the grounds of sovereignty or other similar grounds (including, without limitation, governmental immunity) from (i) any action, suit or other proceeding arising under or relating to this Agreement or any other Basic Document, (ii) relief by way of injunction, order for specific performance or writ of mandamus or (iii) execution or enforcement of any judgment to which it or its revenues might otherwise be entitled in any such action, suit or other proceeding, and the Borrower hereby irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues (irrespective of their use or intended use), all such immunity.

(g) *System.* Construct, operate or maintain any system or utility competitive with the System. The Borrower shall have in effect, or cause to have in effect, at all times an ordinance or resolution requiring all customers of the System to pay the fees, rates and charges applicable to the services and facilities furnished by the System. The Borrower shall not provide any service of the System free of charge to any Person, except (i) to the extent that any such free use is required by the terms of any existing contract or agreement and (ii) for incidental insignificant free use so long as such free use does not prevent the Borrower from satisfying the other covenants of this Agreement.

(h) *Preservation of Existence, Etc.* Take any action to accomplish a merger, consolidation or combination of the System with any other entity or enterprise.

(i) *Use of Proceeds.* Use the Letters of Credit for any purpose other than to secure the Borrower's obligations under PPAs. Use the proceeds of any Loan, whether directly or indirectly, and whether immediately, incidentally or ultimately, to purchase or carry margin stock (within the meaning of Regulation U of the Board of Governors of the Federal Reserve System) or to extend credit to others for the purpose of purchasing or carrying margin stock or to refund indebtedness originally incurred for such purpose, in each case in violation of, or for a purpose which violates, or would be inconsistent with, Regulation T, U or X of the Board of Governors of the Federal Reserve System. Use the proceeds for any Loan for any purposes other than (i) to provide cash collateral to secure the Borrower's obligations under PPAs, (ii) to repay in whole or in part any LC Disbursement, (iii) for general corporate purposes, or (iv) capital expenditures related to the development or acquisition of new assets related to the System subject to prior written approval by the Lender, which such approval shall not be unreasonably withheld. For the avoidance of doubt, Loan Proceeds may not be used for other long-term expenditures or for funding the Operating Reserve. Use the proceeds of any Loan or any Letter of Credit in violation of any Sanctions or Anti-Corruption Laws.

(j) *System Debt.* Not issue, incur or assume to exist any Senior Debt, Parity Debt or Subordinate Debt except for (i) Debt existing under this Agreement and (ii) Member Capital Advances in an amount not to exceed \$450,000.

(k) *Excess Revenues.* Not use excess revenues for any purpose other than: (i) payment of Operating and Maintenance Costs; (ii) payment of Obligations; (iii) funding and replenishment of the Operating Reserve; (iv) capital expenditures in connection with assets that will become part of the System; (v) rebates to System customers; and (vi) any other lawful purpose that inures to the direct benefit of the System.

(l) *Swap Agreements.* Not enter into any Swap Agreement, except (a) Swap Agreements entered into to hedge or mitigate risks to which the Borrower has actual exposure, and (b) Swap Agreements entered into in order to effectively cap, collar or exchange interest rates (from floating to fixed rates, from one floating rate to another floating rate or otherwise) with respect to any interest-bearing liability or investment of the Borrower.

(m) *Repayment of Member Capital Advances.* Not to repay the Member Capital Advances without prior written consent of the Lender unless (i) such repayment is made on or after the third (3rd) anniversary of the date the System commences providing utility services to customers, (ii) on the date of such repayment, no Default or Event of Default has occurred and is continuing hereunder and (iii) the Borrower shall have provided to Lender a certificate, together with reasonably detailed calculations, demonstrating that Borrower has maintained and continues to maintain on a historical and projected basis a Debt Service Coverage Ratio of not less than 1.50 for each Fiscal Year.

ARTICLE 6

ARTICLE 7

Section 7.3. Survival of Covenants; Successors and Assigns. (a) All covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto will survive the making of any Loan, and will continue in full force and effect until all of the Obligations hereunder are paid in full. Whenever in this Agreement any of the parties hereto is referred to, such reference will, subject to the last sentence of this Section, be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of the Borrower which are contained in this Agreement will inure to the benefit of the successors and assigns of the Lender. The Borrower may not transfer its rights or obligations under this Agreement without the prior written consent of the Lender. The Lender may transfer or assign some or all of its rights and obligations under this Agreement and the Fee Agreement with, so long as no Event of Default has occurred and is continuing, the prior written consent of the Borrower (which consent may not be withheld unreasonably); *provided* that the Lender shall be responsible for all costs solely relating to such transfer or assignment. This Agreement is made solely for the benefit of the Borrower and the Lender, and no other Person (including, without limitation, any PPA Counterparty) will have any right, benefit or interest under or because of the existence of this Agreement.

(b) Notwithstanding the foregoing, the Lender will be permitted to grant to one or more financial institutions (each a "*Participant*") a participation or participations in all or any part of the Lender's rights and benefits and obligations under this Agreement, the Fee Agreement, the Loans and the Letters of Credit on a participating basis but not as a party to this Agreement (a "*Participation*") without the consent of the Borrower. In the event of any such grant by the Lender of a *Participation* to a *Participant*, the Lender shall remain responsible for the performance of its obligations hereunder and under the Letters of Credit, and the Borrower may continue to deal solely and directly with the Lender in connection with the Lender's rights and obligations under this Agreement, under the Fee Agreement and under the Letters of Credit. SECTION 2. LIMITATION OF LIABILITY; INDEMNIFICATION.

(a) Without limiting any provision of the Credit Agreement covering the limitation of liability of the issuing bank (including any exception set forth therein), Bank and each other Indemnitee shall not be responsible to Applicant for, and Bank's rights and remedies against Applicant and Applicant's obligation to reimburse Bank under the Credit Agreement shall not be impaired by: (i) honor of a presentation under any Credit which on its face substantially complies with the terms of such Credit; (ii) honor of a presentation of any Drawing Documents which appear on their face to have been signed, presented or issued (X) by any purported successor or transferee of any beneficiary or other party required to sign, present or issue the Drawing Documents or (Y) under a new name of the beneficiary; (iii) acceptance as a draft of any written or electronic demand or request for payment under a Credit, even if nonnegotiable or not in the form of a draft, and may disregard any requirement that such draft, demand or request bear any or adequate reference to the Credit; (iv) the identity or authority of any presenter or signer of any Drawing Document or the form, accuracy, genuineness, or legal effect of any presentation under any Credit or of any Drawing Documents; (v) disregard of any non-documentary conditions stated in any Credit; (vi) acting upon any Instruction which it, in Good Faith, believes to have been given by a Person or entity authorized to give such Instruction; (vii) any errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document (regardless of how sent or transmitted) or for errors in interpretation of technical terms or in translation; (viii) any delay in giving or failing to give any notice; (ix) any acts, omissions or fraud by, or the solvency of, any beneficiary, any nominated Person or any other Person; (x) any breach of contract between the beneficiary and Applicant or any of the parties to the underlying transaction; (xi) assertion or waiver of any provision of the UCP or ISP which primarily benefits an issuer of a letter of credit, including, any requirement that any Drawing Document be presented to it at a particular hour or place; (xii) payment to any paying or negotiating bank (designated or permitted by the terms of the applicable Credit) claiming that it rightfully honored or is entitled to reimbursement or indemnity under the Standard Letter of Credit Practice applicable to it; or (xiii) acting or failing to act as required or permitted under Standard Letter of Credit Practice (or in the case of other independent undertakings or guarantees, the UN Convention) applicable to where it has issued, confirmed, advised or negotiated such Credit, as the case may be.

(b) Without limiting any provision in the Credit Agreement covering the indemnification of the issuing bank by the Applicant (including any limitation or exception set forth therein) ("*Indemnity Provisions*"), such Indemnity Provisions shall apply to Bank and each related Indemnitee notwithstanding the occurrence of any of the events specified in clause (a) of this Section 2.

(c) If a Credit is to be governed by a law other than that of the State of New York, Bank shall not be liable for any Costs resulting from any act or omission by Bank in accordance with the UCP or the ISP, as applicable, and Applicant shall indemnify Bank for all such Costs.

SECTION 3. FOREIGN CURRENCY.

Unless otherwise previously agreed by the Bank, if an amount drawn under any Credit is in non-United States dollar ("*foreign currency*"), Applicant shall reimburse Bank, on demand, the

United States dollar equivalent of such drawn amount based on the Bank's actual cost of settlement of its obligation. Applicant's obligation to make payments in any currency (the "*Contract Currency*") shall not be discharged or satisfied by any tender, or any recovery pursuant to any judgment or otherwise, that is expressed in or converted into any currency other than the Contract Currency, except to the extent that such tender or recovery results in the actual receipt by Bank at its designated office of the full amount of the Contract Currency specified to be payable hereunder. Applicant's obligation to make payments in the Contract Currency shall be enforceable as an alternative or additional cause of action to the extent that such actual receipt is less than the full amount of the Contract Currency specified to be payable hereunder, and shall not be affected by judgment being obtained for other sums due hereunder. Applicant shall indemnify Bank for any shortfall in such actual receipt.

SECTION 4. REPRESENTATIONS AND WARRANTIES.

Applicant hereby represents and warrants on and as of the date hereof, and the date of each issuance, amendment, renewal and extension of a Credit, as applicable, that (i) this Agreement constitutes the legal, valid and binding obligation of Applicant enforceable against it in accordance with its terms; (ii) the representations and warranties set forth in the Credit Agreement are true and correct; and (iii) if applicable, no goods or vessels used to transport goods related to such Credit will be the subject of any Sanctions.

SECTION 5. REMEDIES.

If at any time there shall occur and be continuing any action for a temporary restraining order, preliminary or permanent injunction, beneficiary wrongful dishonor action or the issuance or commencement of any similar order, action or event in connection with any Credit or any Drawing Document or this Agreement, which order, action or event may apply, directly or indirectly, to Bank or which otherwise threatens to extend or increase Bank's contingent liability beyond the time, amount or other limit provided in such Credit or this Agreement then, Applicant shall, upon Bank's demand, deliver to Bank, as additional security for the Obligations, cash in an amount required by Bank.

SECTION 6. ASSERTION OF RIGHTS

To the extent Bank honors a presentation for which Bank remains unpaid, Bank may assert rights of Applicant and Applicant shall cooperate with Bank in its assertion of Applicant's rights, if any, against the beneficiary, the beneficiary's rights against Applicant and any other rights that Bank may have by subordination, subrogation, reimbursement, indemnity or assignment.

SECTION 7. NOTICES, S.W.I.F.T., ELECTRONIC TRANSMISSIONS.

(a) *Notices.* Unless otherwise provided in the Credit Agreement, notices to Bank shall be sent to the address of Bank as set forth in the Credit and shall be delivered by hand, overnight courier or certified mail, return receipt requested. Notices to Applicant shall be sent to the address set forth in the Application unless advised otherwise in writing.

(b) *S.W.I.F.T.* Bank may transmit a Credit and any amendment thereto by S.W.I.F.T. message and thereby bind Applicant directly and as indemnitor to the S.W.I.F.T. rules.

(c) *Electronic Transmissions.* Bank is authorized to accept and process any Application and any amendments, transfers, assignments of proceeds, Instructions, consents, waivers and all documents relating to the Credit or the Application which are sent by electronic transmission using the system provided by Bank, including S.W.I.F.T., electronic mail, facsimile or other computer generated telecommunications ("*Electronic Transmission*") and such Electronic Transmission shall have the same legal effect as an original and shall be binding upon and enforceable against Applicant. Bank may, but shall not be obligated to, require authentication of such Electronic Transmission or receipt of original documents prior to acting on such Electronic Transmission. If it is a condition of the Credit that payment may be made upon receipt by Bank of an Electronic Transmission advising negotiation, Applicant hereby agrees to reimburse Bank on demand for the amount indicated in such Electronic Transmission advice, and further agrees to hold Bank harmless if the documents fail to arrive, or if, upon the arrival of the documents, Bank should determine that the documents do not comply with the terms and conditions of the Credit.

SECTION 8. COMMERCIAL CREDITS.

(a) *Pledge of Underlying Goods and Title Documents.* As security for the payment and performance of all obligations and liabilities of Applicant to Bank in respect of any and all commercial Credits and LOIs issued hereunder (if any) and under this Agreement, Applicant hereby grants to Bank a continuing lien and security interest in all of Applicant's right, title and interest in, to and under all the underlying goods relating to the commercial Credits and the title documents evidencing such goods and all products and proceeds of the foregoing (whether now existing or hereafter created or acquired) which have been or at any time shall be delivered to, received by or otherwise come into the possession or control of Bank, its correspondents or Applicant in connection with each Credit.

(b) *Acceptance of Drawing Documents; No Waiver.* Applicant's acceptance or retention of a Drawing Document presented under or in connection with any Credit (whether or not the document is genuine) or of any Released Merchandise shall ratify Bank's honor of the presentation and preclude Applicant from raising a defense, set-off or claim with respect to Bank's honor of such Credit. Bank shall not be required to seek any waiver of discrepancies from Applicant or to grant any waiver of discrepancies which Applicant approves or requests.

(c) *Possession of Drawing Documents.* If Bank shall agree to honor (accept) Drawing Documents under a Credit on a time draft or deferred payment basis, Applicant shall not take possession of the Drawing Documents or the underlying Property except for the purpose of loading, unloading, storing, shipping, transshipping, manufacturing, processing or otherwise dealing with such Property in a manner preliminary to its sale or exchange. An Instruction to release any such Drawing Document or Property shall be deemed a representation by Applicant to Bank that Applicant seeks such release for one of said purposes. In each such case, Applicant shall apply the proceeds of Property to the Obligations relating to the applicable Credit.

(d) *Absence of Written Instructions.* In the absence of written instructions to the

contrary, Applicant agrees that (i) if the Credit authorizes drawings and/or shipments in installments and any installment is not drawn and/or shipped within the period allowed for that installment but Applicant waives such discrepancy, Bank is authorized to honor any subsequent installments so long as documents for such installments are presented within the period allowed for such installments; and (ii) each negotiated Credit shall expire at the counters of the nominated person even if notice of the presentation or any documents contained in the presentation is not received by Bank until after the expiry date of the Credit or any installment thereof.

(e) *Release of Documents or Claiming of Goods from the Carrier.* In the event Bank, upon Applicant's request, agrees to deliver to Applicant, a customs broker or any other person designated by Applicant, any of the documents of title relating to the Credit, prior to having received payment in full of all the Obligations, Applicant agrees to obtain possession of any goods represented by such documents within twenty-one days after the date of delivery of such documents, and if Applicant fails to do so, Applicant agrees to return such documents or to have them returned to Bank prior to the expiration of the twenty-one day period. Applicant further agrees to execute and deliver to Bank receipts for such documents and the goods represented thereby identifying and describing such documents and goods. If Applicant claims from the carrier any goods identified in the shipping documents required under the Credit (by virtue of a steamship release, air release, letter of indemnity or any other means), with or without the assistance of Bank, and such goods have been released to Applicant or a customs broker or agent acting on Applicant's behalf, Applicant hereby authorizes Bank to immediately, and without further inquiry and consideration, debit any account of Applicant in an amount equal to the fair market value of such goods, that have been released, together with any out-of-pocket charges or expenses owing to Bank.

SECTION 9. STANDBY CREDITS.

(a) *Installments.* If the Credit is issued subject to UCP 600, unless otherwise agreed, in the event that any installment of the Credit is not drawn within the period allowed for that installment, the Credit may continue to be available for any subsequent installments in the sole discretion of Bank, notwithstanding Article 32 of UCP 600.

(b) *Auto Extend Notice.* If the Credit provides for automatic extension without amendment, Applicant agrees that it will notify Bank in writing at least thirty (30) days prior to the last day specified in the Credit by which Bank must give notice of nonextension if Applicant wishes the Credit not to be extended. Any decision to extend or not extend the Credit shall be in Bank's sole discretion and judgment. Applicant hereby acknowledges that in the event Bank notifies the beneficiary of the Credit that it has elected not to extend the Credit and the beneficiary draws on the Credit after receiving the notice of non-extension, Applicant acknowledges and agrees that Applicant shall have no claim or cause of action against Bank or defense against payment under the Agreement for Bank's discretionary decision to extend or not extend the Credit.

(c) *Pending Expiry Notice.* If a Credit's terms and conditions provide that Bank give beneficiary a notice of pending expiration, Applicant agrees that it will notify Bank in writing at least thirty (30) days prior to the last day specified in the Credit by which Bank must give such notice of the pending expiration date. In the event Applicant fails to so notify Bank and the Credit

is extended, Applicant's Obligations under this Agreement shall continue in effect and be binding on Applicant with regard to the Credit as so extended.

SECTION 10. WAIVER OF DEFENSE; JOINT AND SEVERAL LIABILITY.

Applicant waives any defense whatsoever which might constitute a defense available to, or discharge of, a surety or a guarantor. If more than one Person signs this Agreement or an Application hereunder, each of them shall be jointly and severally liable hereunder and thereunder and all the terms and provisions regarding liabilities, obligations and Property of such Persons shall apply to any liabilities, obligations and Property of any and all of them.

SECTION 11. TERMINATION.

This Agreement is a continuing agreement and may not be terminated by Applicant except upon (i) thirty (30) days' prior written notice of such termination by Applicant to Bank at the address of Bank set forth on the most recent Credit issued hereunder, (ii) payment of all Obligations and (iii) the expiration or cancellation of all Credits issued hereunder. Notwithstanding the foregoing sentence, if a Credit is issued in favor of a sovereign or commercial entity, which is to issue a guarantee or undertaking on Applicant's behalf in connection therewith, or is issued as support for such a guarantee, Applicant shall remain liable with respect to such Credit until Bank is fully released in writing by such entity.

SECTION 12. AMENDMENT; WAIVER.

Bank shall not be deemed to have amended or modified any term hereof, or waived any of its rights unless Bank consents in writing to such amendment, modification or waiver. No such waiver, unless expressly stated therein, shall be effective as to any transaction which occurs subsequent to such waiver, nor as to any continuance of a breach after such waiver. Bank's consent to any amendment, modification or waiver does not mean that Bank shall consent or has consented to any other or subsequent Instruction to amend, modify, or waive a term of this Agreement or any Credit.

SECTION 13. COMMENCEMENT OF ACTION.

Any action or proceeding in respect of any matter arising under or in connection with Credits, the Applications or this Agreement must be brought by Applicant against Bank within the time period specified in Section 5-115 of the Uniform Commercial Code.

SECTION 14. JURISDICTION; WAIVER OF JURY TRIAL; GOVERNING LAW.

Applicant agrees to be bound by the provisions in the Credit Agreement relating to jurisdiction, venue, and waiver of jury trial and that such provisions shall also apply to this Agreement. This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

SECTION 15. SUCCESSORS AND ASSIGNS.

The provisions of this Agreement shall be binding upon and inure to the benefit of Bank and Applicant and their respective successors and assigns permitted hereby, except that Applicant may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of Bank. Nothing in this Agreement, expressed or implied, shall be construed to confer any right or benefit upon any Person (other than the parties hereto, the Indemnified Persons and their respective successors and permitted assigns).

SECTION 16. COUNTERPARTS; INTEGRATION; ELECTRONIC EXECUTION.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the Credit Agreement constitute the entire contract and final agreement among the parties relating to the subject matter and may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the parties. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 17. SURVIVAL.

The provisions of Sections 2, 8(a), 11, 14 and 17 shall survive and remain in full force and effect regardless of the consummation of any transactions contemplated hereby, the reimbursement or repayment of any drawings or Obligations, the expiration or termination of the Credits or LOIs or the termination of this Agreement or any provision hereof.

IN WITNESS WHEREOF, the Applicant hereto has caused this Agreement to be duly executed and delivered by its respective authorized officer as of the day and year written below.

ANNEX I TO CONTINUING AGREEMENT

If Bank issues an LOI or endorses a bill of lading at the instruction of Applicant or otherwise pursuant hereto, Applicant agrees as follows:

Except as otherwise set forth in this Annex I or expressly set forth elsewhere in this Agreement, an LOI shall be deemed issued by Bank subject to the same terms and conditions set forth herein for Credits, including, without limitation, payment obligations, indemnification provisions and limitations of liability benefiting Bank and other Indemnified Persons. Applicant shall be liable for payments made under any LOI on demand and otherwise in accordance with its absolute obligation to reimburse the Bank set forth in the Credit Agreement. Bank shall have the right in its sole discretion and without notice to or approval of Applicant, to pay, settle or adjust any claim or demand made against or upon Bank in connection therewith without inquiry or determination, on Bank's part, of the circumstances, merits or validity of any claim or demand. Applicant shall take whatever steps are necessary to obtain the shipping documents concerning the Released Merchandise. Upon Applicant's receipt of such shipping documents, Applicant shall deliver them to the carrier, duly endorsed by all parties whose endorsement is required by the carrier, and obtain from the carrier and deliver to Bank, the LOI and a release of Bank's liability to the carrier. Bank may make payments against any drawing under the Credit related to an LOI, whether or not the drawing shall comply with the terms and conditions of such Credit, without any liability whatsoever to Bank. Applicant expressly acknowledges that Applicant may be required to reimburse Bank for payments made by Bank under both the LOI and such Credit with respect to the same Released Merchandise. Applicant shall account by delivering to Bank, immediately upon the receipt thereof by Applicant, the proceeds of the sale of the Released Merchandise or the documents related thereto in whatever form received (with Applicant's endorsement where necessary) to be applied by Bank to the payment of any drawing under the Credit. If any proceeds shall be notes, accounts, acceptances, or in any form other than cash, they shall not be applied by Bank until paid in cash. Bank shall have the option at any time to sell or discount these items and so apply the net proceeds, conditionally upon final payment of these items. Applicant shall pay all charges in connection with the Released Merchandise and shall at all times hold it separate and apart from the Property of Applicant and shall definitively show such separation in all its records and entries. Applicant shall at all times keep the Released Merchandise fully insured at Applicant's expense in favor of, and to the satisfaction of, Bank against loss by fire, theft, and any other risk to which it may be subject. Applicant shall deposit the insurance policies with Bank upon its demand. If for any reason any of such policies fail to provide for payment of the loss thereunder to Bank as its interest may appear, Applicant hereby (1) assigns and makes the loss payable under any of such policies payable to Bank as its interest may appear, (2) assigns to Bank all of the avails and proceeds of any and all of such policies, and (3) agrees to accept such avails and proceeds in trust for Bank and to forthwith deliver the same to Bank in the exact form received (with the endorsement of Applicant where necessary). Bank shall have no responsibility for the existence, quantity, quality, condition, value or delivery of any Released Merchandise or the correctness, validity or genuineness of the documents purporting to represent Released Merchandise.
