Questions & Answers

Q. Is experience providing service to a community choice aggregation agency required to be considered?

A. Prior experience providing service to a Community Choice Aggregation agency is not required to be considered for this engagement.

Q. Does providing service to a member agency of Clean Energy Alliance exclude a firm from being considered?

A. Firms providing service to a member agency of Clean Energy Alliance will not be automatically excluded from being considered. The firm should discuss how it would address or prevent any conflict of interest in its response.
