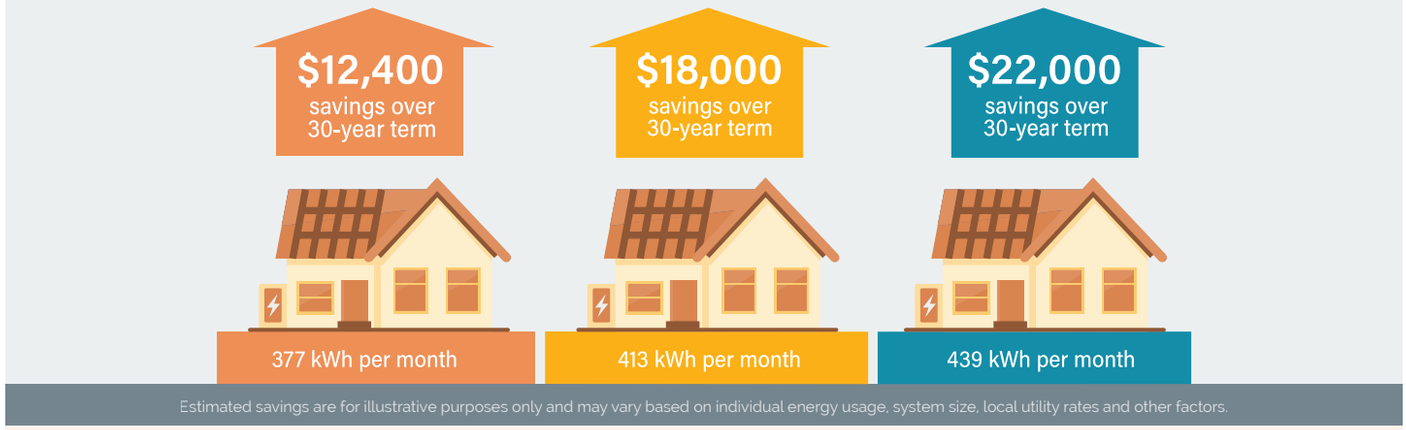
SOLAR PLUS

Power Your Home with Solar Energy

at Zero Upfront Cost

Access clean, affordable energy with Clean Energy Alliance (CEA)'s Solar Plus program! In partnership with Participate.Energy, we're making home solar and battery systems available to CEA customers with no upfront cost and no credit checks required.



Estimated savings are for illustrative purposes only and may vary based on individual energy usage, system size, local utility rates and other factors.

Solar Plus Benefits

- **Save Money:** Reduce your energy costs for decades
- **Stay Powered:** Reliable energy backup during blackouts and emergencies
- **Zero Upfront Cost:** No initial investment required
- **Replacements Included:** Required system service and battery replacements covered*
- **Future Flexibility:** Option to buy the system at fair market value after 5 years

*Excludes damages or issues caused by the customer. Maintenance does not include shade management or panel cleaning.
