PEAKSMART SAVERS

Save up to 30% on your electricity rates with **PeakSmart Savers!**

Residential customers can enjoy discounted electricity rates all year long. Simply reduce your energy use during PeakSmart Days and save!

Save with lower rates

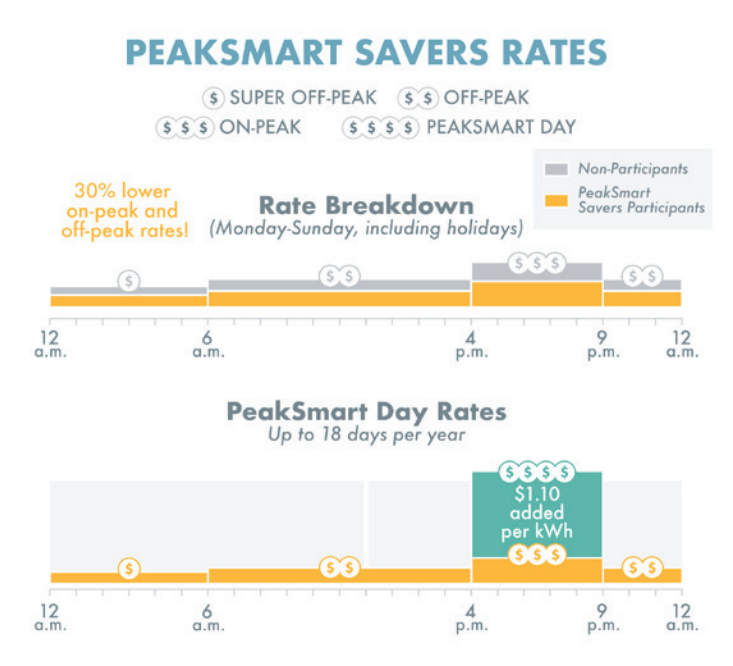
- Get reduced on-peak and off-peak rates all year, except during PeakSmart Days.

Participate in PeakSmart Days

- Receive alerts for up to 18 PeakSmart Days per year excluding weekends and holidays.

Use less during PeakSmart Days

Cut back energy use during PeakSmart Days to avoid paying an additional $1.10 per kWh from 4 p.m. to 9 p.m.



Other Perks

- Sign up in 2026 and get bill protection for the first 12 months; if your bill is higher with PeakSmart Savers than it would be outside of the program, CEA will refund the difference.
